Provide a detailed description of the planned project. Please refer to the Guide to Applicants Item 8.

The performing arts association {Grant Park} is in the process of replacing outdated and damaged equipment as well as introducing a new dimension to the program.
We need to replace all of our microphones and sound board.
As well, we would like to introduce "Film and Video Editing" to our repetoire of Fine arts programs for our members.
We require 3 chip video cameras and computers.
This is an exciting project that will connect the community and the program together.

Thank you for your support,

Gwye Bush
