Subject: Letter to Councilor Justin Swandel Re: Restoration of Pollock property to natural state.

Dear Councilor Justin Swandel

Further to your promise to make monies available for the clean up and restoration of the Pollock property at the south end of rue St. Pierre in St. Norbert, the Pollock Island Conservation Group hereby requests that you make the $10,000. available to our group as soon as possible so that we can begin this project by June 15th, 2006 or as soon as the transfer of the Pollock property to the City of Winnipeg is complete. We will have quotes from reputable and competent contractors by the end of this week and both have indicated that they would be available to begin the job by mid month. We also have labour available to assist us from the federal Katimavik program and the provincial Green Team program.
