Subject: Description of Planned Project.

The East Side Eagles are applying for the CIG to purchase a 50 HP tractor.

We had artificial turf installed for the Pan Am Games in 1999 and the facility is used by Field Hockey Manitoba, Football Manitoba (Provincial team and Youth Flag Football), The Manitoba Minor Football League, The Winnipeg High School Football League, the Manitoba Major Football League and the Canadian Senior Football League.

To-date, we have used parking lot vacuums to keep the turf clean. These vacuums do no do an adequate job. Last year we were given the vacuum the Winnipeg Blue Bombers used on their old turf. The vacuum is a tow behind type and works off of a PTO and requires a 50 HP tractor to drive it.

We received 2 quotes on this type of tractor, with the lowest price at $19,500.00 plus pst & gst. This tractor is a Kubota 2 wheel drive diesel with turf tires and a PTO that would be capable of operating the vacuum.

We feel that with this new tractor and vacuum combination, we could extend the life of the artificial turf by 4 to 6 years and ensure continued use by the groups mentioned.

Thank You

Ian Brown
