Subject: ppl of keenleyside park need some help!

Hello my name is Shelly Kruger. I live in Elmwood right behind Keenleyside Park I am writing to you for some help regarding the park it;s self. This park is used by the kids in the area and in the summer time when the pool opens, this park will be very busy with kids. And that's just around the corner. I'm sending you 2 pictures of the park and I just took them a few minutes ago.

I did call public works about a month ago regarding it. Letting them know the structure its self should be replaced cause of it leaning to the center. And cause the place where
The slide was could be dangerous for the kids. I also call today and they are going to make a call for someone to go look into it just like they did last month. The mothers in this area want this park to be safe for there kids and the kids of this area.

Thank you,

Shelly Kruger
