re: Land Dedication Reserve (upgrade/renovation of ditches and banks
i.e. Plinth/Backboards of St. James LBC greens)

Dear Mr. Eadie:

The St. James Lawn Bowling Club, which comes under the jurisdiction of Parks & Recreation, offers recreational lawn bowling to the people of St. James and surrounding areas. The Club is open to anyone interested in lawn bowling.

Currently, the Club regular membership is larger than any other public club in the province and is the only club with a Youth Program. Our intention is to have the Club grow with the City and serve many more bowlers in the future.

In order to achieve this goal, our Club needs to ensure that our facilities are maintained to an acceptable standard. As you are probably aware, the Club operates two greens and it is essential the ditches and banks (plinth/backboards) are upgraded and renovated to meet lawn bowling requirements from time to time.

It is these upgrades and renovations that require support from you and City Council.

Attached are descriptions and estimated costs of these lawn bowling renovations. Also enclosed for your perusal is a copy of Club Constitution and By-Laws.

Thank you for your time and consideration of this matter. We hope to hear from you in the near future.

Respectfully,

President

Past President
