REPORT OF THE

STANDING POLICY COMMITTEE ON

PROTECTION AND COMMUNITY SERVICES

DATED NOVEMBER 29, 1999

On motion of Councillor Vandal, Clause 3 of the Report of the Standing Policy Committee on Protection and Community Services, dated November 29, 1999, was considered.

Cultural Policy Review
Files FL-6 (Vol. 20) and FG-3 (Vol. 38)

705 - ***Note: Clause 3 has been referred back by the Executive Policy Committee to the Standing Policy Committee on Protection and Community Services for further review.***

Referred back by the Executive Policy Committee to the Standing Policy Committee on Protection and Community Services for further review

REPORT OF THE

STANDING POLICY COMMITTEE ON

PROTECTION AND COMMUNITY SERVICES

DATED JUNE 5, 2000

On motion of Councillor Vandal, the Report of the Standing Policy Committee on Protection and Community Services, dated June 5, 2000, was considered clause by clause.

Moved by Councillor Vandal,

That the Consent Agenda, Clauses 1,2,3,4,5,6,7,8,9 and 10, be adopted.

Councillor Smith requested that Clauses 1 and 10 be pulled from the Consent Agenda.

The motion to adopt the Consent Agenda, Clauses 2,3,4,5,6,7,8 and 9 was put and declared carried.

2000-2001 Parking Patrol and Sergeants-at-Arms Contract File GF-2.4 (Vol. 2)

706 - 1. The Standing Policy Committee on Protection and Community Services has been advised that the Corps of Commissionaires (the Corps) is a non-profit organization, which has provided parking patrol services to the City since 1955. These services include the enforcement of Parking Meter and Traffic By-laws, and the service of court documents. The provision of Sergeant-at-Arms services for the Council building arose from a Council direction of February 22, 1995.

In 1978, Council adopted a recommendation of the Committee on Finance that future contracts be negotiated with the Corps and not tendered. In 1994, the Committee on Protection, Parks and Culture directed that the Police Service undertake a review of the practice of awarding a sole source contract to the Corps and that Council would make a decision as to the recommendation from the review. The resultant report was considered by the Committee at its meeting on January 9, 1995. The Committee recommended:

> "That the report be filed, with the understanding that Council's decision of December 20, 1978, be reaffirmed and all future contracts for such services be negotiated for and not be tendered."

The recommendation was not forwarded to Council at that time. The Administrative report recommends that Council ratify the January 9, 1995, decision of the Committee on Protection, Parks and Culture.

In accordance with Council's decision of December 20, 1978, contracts have continued to be negotiated on a sole source basis since that time.

In 1997, the Audit Department conducted a review of parking issues administered by the City. The report recommended that all City related parking issues, including Parking By-law enforcement, be considered for alternative service delivery. The Department of Planning, Property and Development is currently researching the matter. It is expected that recommendations will not be submitted until late 2000. It is not anticipated that any service change recommendations will be implemented prior to the termination of the contract period.

The proposed 2000-2001 rates, contract costs and comparison with the previous rates and costs, is outlined on Schedule "A". The contract cost increase of .55% compares favourably with Conference Board of Canada 2000 and 2001 CPI forecasts of 1.8% and 1.9% respectively. Funding for this contract is provided for in distribution code 01552102 22302602 of the Police Service budget and distribution code 01 552101 020101 of the City Clerk's Department budget.

The proposed contract requires Council approval because the contract period commits future year's funds.

The Financial Impact from the Winnipeg Police Service and City Clerk's Departments is outlined on Schedule "B".

On June 11, 1999, the Standing Policy Committee on Protection and Community Services considered the 1999 - 2000 Parking Patrol and Sergeants-at-Arms Contract and concurred in the administrative recommendations.

Report of the Standing Policy Committee on Protection and Community Services dated June 5, 2000

On June 6, 2000, the Standing Policy Committee on Protection and Community Services considered the report from the Chief Financial Officer, dated May 15, 2000. Following deliberations, Committee requested the Administration to provide a report outlining the status of the proposed Alternative Service Delivery (ASD) initiative with respect to City related parking issues and the rationale for negotiating Parking Patrol contracts with the Canadian Corps of Commissionaires rather than utilizing the tendering process.

The Standing Policy Committee on Protection and Community Services recommends:

I. That Council approve the contract rates for the provision of services for the period of April 1, 2000 to March 31, 2001, as negotiated between the Winnipeg Police Service and the Canadian Corps of Commissionaires (Manitoba & Northwestern Ontario Division). The total contract value, including GST @ 3%, is $1,226,695.39.

II. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

Copy of attachments referred to in the above clause are on file in the office of the City Clerk.

Moved by Councillor Vandal,
Adoption of the clause.

Carried.

Approval to enter into an agreement with the Province of Manitoba (WDA) - Urban Safety Program to Fund the "Take*Action* in Schools" Project File GF-2 (Vol. 53)

707 - 2. The Standing Policy Committee on Protection and Community Services has been advised that the Winnipeg Police Service began administering programs in Winnipeg schools sixty-four (64) years ago with the School Safety Program. The Police Service has since expanded the initial program to include several crime prevention programs delivered by the School Resource Unit of the Community Services Division. The School Resource Unit is comprised of six Constables and one Patrol Sergeant who attend at every school within the City of Winnipeg discussing issues and concerns specific to each school and developing appropriate lesson plans to meet each school's needs.

The six School Resource Officers attend over three hundred schools educating approximately one hundred thousand students. As demonstrated in 1999, when an officer had to be dedicated solely to arson presentations for three months, there will always be a demand for new programs. More recently, parents and teachers have become aware of internet pedophiles preying on young children and have requested programs to counter this.

The Community Services Unit realized that budget restraints would not allow for an increase in personnel to meet these escalating demands and, in response, developed a school program similar to their extremely successful "Take*Action*" and "Counter*Action*" crime prevention programs. The Unit applied to the Provincial Government's, Winnipeg Development Agreement - Urban Safety Program for $75,000.00 to purchase the multi-media equipment required to deliver the school program. On May 16, 2000, the Manitoba Justice Minister announced that the request for funds had been approved.

It is said that a picture is worth a thousand words. The "Take*Action* in Schools" program will address subjects such as arson, gangs, drugs, graffiti, sexual predators, and impaired driving in a timely manner, utilizing computer-projected images and sounds in a high impact, multi-media presentation. The primary purpose in developing this program has been to reach more students more effectively, recognizing student's familiarity and friendliness with audio/video displays. This program can assist to develop students' understanding of personal safety and well-being and the consequences and realities of making poor choices. The program is an enhancement of existing presentations and allows for update and expansion as the need arises.

A Financial Impact is outlined on Schedule "A".

Council approval is required to enter into agreements with other levels of government or outside agencies.

Report of the Standing Policy Committee on Protection and Community Services dated June 5, 2000

The Standing Policy Committee on Protection and Community Services recommends:

I. That the City of Winnipeg enter into an agreement with the Province of Manitoba to receive funding under the Provincial Winnipeg Development Agreement - Urban Safety Program, in an amount of $75,000.00, to fund an enhanced delivery system for School Resource Officers of the Winnipeg Police Service to deliver their program in Winnipeg schools.

II. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

Copy of attachment referred to in the above clause is on file in the office of the City Clerk.

Adopted by consent.

Proposed Amendment - Alarm By-law No. 4676/87 File GF-2.6 (Vol. 17)

708 - 3. On August 20, 1987, Council passed Alarm By-law No. 4676/87. The by-law was introduced due to growing concerns over the increasing number of false alarms to which the Winnipeg Police Service was responding. The by-law defined "excessive false alarms" as three or more false alarms in any six calendar months, but did not create an offence of having excessive false alarms. Instead, the by-law provided that the Chief of Police could revoke or suspend an alarm permit upon any breach of the by-law or excessive false alarms. A person who used an alarm system without a valid permit would be liable to a fine upon conviction [maximum $1,000.00 for an individual and $5,000.00 for a corporation]. Each month a number of alarm permits were suspended due to excessive false alarms and approximately 10 to 20 charges were laid for using an alarm system without a permit.

On March 15, 1999, Council enacted an amendment to the by-law which changed the definition of "excessive false alarms" to two or more false alarms in any 12 calendar months, and created an offence of failing to ensure that an alarm system does not actuate excessive false alarms. The amendment recommends in part,

> "…that the proposed fine of $75.00 be imposed for a second false alarm and thereafter each time a subsequent false alarm is activated…".

The actual wording in the amended penalty section provides fines as follows for any offence under the by-law:

(a) $75.00 to $1,000.00 for an individual; and

(b) a maximum of $5,000.00 for a corporation.

The by-law amendment took effect May 1, 1999. As of that date, the Winnipeg Police Service began laying charges for excessive false alarms rather than suspending alarm permits. The Winnipeg Police Service now issues approximately 180 offence notices per month for excessive false alarms.

From May 1 to December 31, 1999, there were 22,904 false alarms in the City of Winnipeg. This was a decrease of 2,145 or 9% from the same period in 1998. Indications are that the by-law amendment is fulfilling its purpose, i.e. to further reduce the number of false alarms.

Under the existing by-law, a person who wishes to plead guilty to a charge of having excessive false alarms must either attend court or attend before a magistrate in the Provincial Judges' Court office, so that the amount of the fine and costs can be fixed. It is not open to the person to plead guilty by means of mailing in payment, as the by-law does not prescribe an amount of fine and costs for mail-in purposes. This has given rise to complaints from citizens and the alarm industry which indicate many persons are willing to plead guilty and pay a fine but wish to avoid appearing in court.

The Legal Services Division has determined that existing legislation permits amendments to the by-law to implement a mail-in guilty plea system in order to address a perceived problem with the existing Alarm By-law and the system of guilty pleas and fine payment.

Report of the Standing Policy Committee on Protection and Community Services dated June 5, 2000

The Financial Impact of the recommendation cannot be assessed at this time.

The Standing Policy Committee on Protection and Community Services recommends:

I. That Alarm By-law No. 4676/87 be amended by adding the following provision:

7.1 Where an offence is alleged to have been committed under this by-law, an offence notice may set out a fine of $75.00 and costs of $22.50 for a total of $97.50 for the purpose of voluntary payment, pursuant to section 13 of The Summary Convictions Act.

II. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary amending by-law.

III. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

Adopted by consent.

Ambulance Service Outside City Boundaries to the Rural Municipalities of Ritchot and Headingley
File GF-1 (Vol. 18)

709 - 4. On March 22, 2000, City Council adopted Clause 1 of the Report of the Standing Policy Committee on Protection and Community Services, dated November 29, 1999, which was amended by the Executive Policy Committee. The recommendations, as amended, were as follows:

"That the City of Winnipeg provide ambulance service outside the City only up to and including the Perimeter Highway and divest itself of its contracts with the Rural Municipality of Headingley, the Rural Municipality of Ritchot and the Stony Mountain Institution effective June 30, 2000, and

That the City of Winnipeg provide fire service outside the City only up to and including the Perimeter Highway except for the CPR north Transcona yards and Border Chemical, (595 Gunn Road) and divest itself of its contracts with the University of Manitoba (Glenlea Experimental Station) and the Imperial Oil Depot at 2915 Henderson Highway effective June 30, 2000."

Subsequent to the adoption of the clause by Council, notice was provided to the Rural Municipalities of the termination of the ambulance service contracts effective June 30, 2000. Emergency Response Services was contacted by the Rural Municipalities of Headingley and Ritchot and the Regional Health Authorities for each of these areas to discuss the transition of the responsibility of ambulance services. As a result of these discussions, a request to extend the deadline for these areas was received by the Emergency Response Service. This request was also supported by the Winnipeg Regional Health Authority who had been approached by these jurisdictions.

In the case of the Rural Municipality of Headingley, an ambulance from Sanford, Manitoba, will be relocated to Oak Bluff, Manitoba, which the Regional Health Authority estimates will require an additional 90 days. After this time, the Central Regional Health Authority will be in a better position to assume its own ambulance services to the Rural Municipality of Headingley.

The ambulance service provided to the Rural Municipality of Ritchot is to be divested by June 30, 2000. However, the provision of ambulance service to the area of Grande Pointe is problematic for the South-East Manitoba Regional Health Authority. The South-East Manitoba Regional Health Authority has difficulty providing service to the Grande Pointe area, as it would have to come from St. Pierre. Further, they have no long-term plans to relocate an ambulance to service that area due to the low call volume. Therefore, the South-East Manitoba Regional Health Authority would like to pursue a long-term agreement with the City of Winnipeg for providing service to this specific area of Ritchot. A 90 day extension would allow for this contract to be further discussed and negotiated.

First Responder (fire services) calls will not be included in either of these agreements, nor will auto extrication services be provided.

Report of the Standing Policy Committee on Protection and Community Services dated June 5, 2000

A Financial Impact Statement is outlined on Schedule "A". The Financial Impact of a new contract for the provision of ambulance service for Grande Pointe is not known at this time.

That Standing Policy Committee on Protection and Community Services recommends:

I. That the City of Winnipeg extend the provision of ambulance services to Grande Pointe, an area of the Rural Municipality of Ritchot, until September 30, 2000.

II. That the City of Winnipeg extend the provision of ambulance services to the Rural Municipality of Headingley until September 30, 2000.

III. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

Copy of attachment referred to in the above clause is on file in the office of the City Clerk.

Adopted by consent.

Recommendations for Amusement Tax Exemption File FL-6 (Vol. 21)

710 - 5. The Standing Policy Committee on Protection and Community Services has considered recommendations received from the Winnipeg Arts Advisory Council for exemption to the Amusement Tax By-law.

The Standing Policy Committee on Protection and Community Services submits draft by-law and recommends:

I. That the following list of exemptions be added to Schedule "E" of the Amusement Tax By-law No. 3107/81, namely:

Forks South Point Aboriginal Corporation for:
Spirit Island Benefit Concert at the Walker Theatre on June 29, 2000

Polish Musical Society of Canada for:
"Millennium Concert" at the Westminster United Church on November 19, 2000

St. Andrew's Society of Winnipeg Trust Fund for:
Celtic Connection at the Walker Theatre on June 28, 2000

The Winnipeg Singers for the 2000/2001 Season:
Homage to Bach at the First Presbyterian Church on October 15, 2000
Carols and Lullabies for Christmas at the All Saints' Anglican Church on December 10, 2000
The Vespers at the Westminster United Church on February 24, 2001
Saints and Swingers at the First Presbyterian Church on April 22, 2001

Winnipeg Symphony Orchestra Inc. for:
The Mostly Mozart Summer Festival at the Pantages Playhouse Theatre on June 28 and 30, 2000 and at the Holy Trinity Church on June 29, 2000

II. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

Adopted by consent.

Report of the Standing Policy Committee on Protection and Community Services dated June 5, 2000

Community Incentive Grant Application - St. James Village Business Improvement Zone File PR-2.6(31) (Vol. 7)

711 - 6. The Standing Policy Committee on Protection and Community Services has been advised that the Assiniboia Community Committee, at its meeting on May 16, 2000, considered an application from the St. James Village Business Improvement Zone for a Community Incentive Grant in the amount of $4,000.00, to assist with the cost of streetscape improvements between Ferry Road and King Edward Street.

The application does not meet the eligibility criteria contained in the Community Incentive Grant Program.

The Assiniboia Community Committee recommended approval of a Community Incentive Grant to the St. James Village Business Improvement Zone in the amount of $4,000.00, for the purpose requested.

The Standing Policy Committee on Protection and Community Services concurred in the recommendation of the Assiniboia Community Committee and recommends:

I. That the following eligibility criteria for the Community Incentive Grant Program be waived in this instance, namely: -

a) The organization is to be a non-profit community recreation and sport organization or a non-profit organization offering recreational services, and

b) The project is to make a significant contribution to the long-term benefit of the community-at-large in terms of improved facilities.

II. That a Community Incentive Grant in the amount of $4,000.00, not to exceed a maximum of fifty percent (50%) of the total project cost, be approved to the St. James Village Business Improvement Zone for the purpose requested, subject to the following conditions:

a) Confirmation of other funding sources;

b) Approval of final plans and specifications for the project by the Director; and

c) The applicant entering into a formal agreement with the City of Winnipeg.

III. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.

Adopted by consent.

Community Incentive Grant Application - Aulneau Renewal Centre File PR-2.6(35) (Vol. 8)

712 - 7. The Standing Policy Committee on Protection and Community Services has been advised that the Riel Community Committee, at its meeting on May 16, 2000, considered an application from the Aulneau Renewal Centre for a Community Incentive Grant in the amount of $10,000.00, to assist with the cost of facility renovations, located at 601 Aulneau Street.

The application does not meet the eligibility criteria contained in the Community Incentive Grant Program.

The Riel Community Committee recommended approval of a Community Incentive Grant to the Aulneau Renewal Centre in the amount of $10,000.00, for the purpose requested.

The Standing Policy Committee on Protection and Community Services concurred in the recommendation of the Riel Community Committee, and recommends:

Report of the Standing Policy Committee on Protection and Community Services dated June 5, 2000

I. That the following eligibility criteria for the Community Incentive Grant Program be waived in this instance, namely: -

a) The organization is to be a non-profit community recreation and sport organization or a non-profit organization offering recreational services, and

b) The project is to make a significant contribution to the long-term benefit of the community-at-large in terms of improved facilities.

II. That a Community Incentive Grant in the amount of $10,000.00, not to exceed a maximum of fifty percent (50%) of the total project cost, be approved to the Aulneau Renewal Centre for the purpose requested, subject to the following conditions:

a) Confirmation of other funding sources;

b) Approval of final plans and specifications for the project by the Director; and

c) The applicant entering into a formal agreement with the City of Winnipeg.

III. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.

Adopted by consent.

Community Incentive Grant Application -
St. Vital Mustangs Football Club
File PR-2.6(35) (Vol. 8)

713 - 8. The Standing Policy Committee on Protection and Community Services has been advised that the Riel Community Committee, at its meeting on May 16, 2000, considered an application from the St. Vital Mustangs Football Club for a Community Incentive Grant in the amount of $2,499.00, to assist with the cost of hall furnishing upgrades.

The application does not meet the eligibility criteria contained in the Community Incentive Grant Program.

The Riel Community Committee recommended approval of a Community Incentive Grant to the St. Vital Mustangs Football Club in the amount of $2,499.00, for the purpose requested.

The Standing Policy Committee on Protection and Community Services concurred in the recommendation of the Riel Community Committee, and recommends:

I. That the following eligibility criteria for the Community Incentive Grant Program be waived in this instance, namely: -

a) The project is to make a significant contribution to the long-term benefit of the community-at-large in terms of improved facilities, and

b) The project is to clearly articulate a plan of activities including projected work schedules, material, labour, equipment and other project requirements and lead to the completion of a substantial physical product.

II. That a Community Incentive Grant in the amount of $2,499.00, not to exceed a maximum of fifty percent (50%) of the total project cost, be approved to the St. Vital Mustangs Football Club for the purpose requested, subject to the following conditions:

a) Confirmation of other funding sources;

b) Approval of final plans and specifications for the project by the Director; and

c) The applicant entering into a formal agreement with the City of Winnipeg.

Report of the Standing Policy Committee on Protection and Community Services dated June 5, 2000

III. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.

Adopted by consent.

Community Incentive Grant Application -
Trans Canada Trail Signage for Relay 2000
File PR-2.6(33) (Vol. 9)

714 - 9. The Standing Policy Committee on Protection and Community Services has been advised that the East Kildonan-Transcona Community Committee, at its meeting on May 16, 2000, considered a report from the Manager of Planning and Land Use Division, Planning, Property and Development Department, dated May 8, 2000. The report requested that funding from the East Kildonan-Transcona Land Dedication Reserve Account be utilized for the Trans Canada Trail Signage for Relay 2000, in the amount of $2,800.00, to assist with the cost of the installation of signage along the Trans Canada Trail.

The East Kildonan-Transcona Community Committee however, recommended that funding for this project be utilized from the Community Incentive Grant Program in the amount of $2,800.00 for the purpose requested. The East Kildonan-Transcona Community Committee further recommended that all eligibility criteria be waived in this instance.

An application and an evaluation was prepared and it was determined that the project does not meet the eligibility criteria contained in the Community Incentive Grant Program.

The Standing Policy Committee on Protection and Community Services concurred in the recommendation of the East Kildonan-Transcona Community Committee, and recommends:

I. That the following eligibility criteria for the Community Incentive Grant Program, be waived in this instance, namely: -

a) The organization is to be a non-profit community recreation and sport organization or a non-profit organization offering recreational services;

b) The project is to make a significant contribution to the long-term benefit of the community-at-large in terms of improved facilities;

c) The project is not to compete with or duplicate other community facilities;

d) The project is to benefit the community-at-large and remain accessible to all members of the community;

e) The application does not include confirmation of sufficient resources to maintain and operate completed projects;

f) The project is to clearly articulate a plan of activities including projected work schedules, material, labour, equipment and other project requirements and lead to the completion of a substantial physical product;

g) The project is feasible within the project management capabilities of the applicant, and

h) The applicant has requested one hundred percent (100%) of the total project cost and therefore would not be contributing fifty percent (50%) of the capital costs from their own sources.

II. That a Community Incentive Grant in the amount of $2,800.00 be approved to the Trans Canada Trail Signage for Relay 2000 for the purpose requested, subject to the following conditions:

a) Approval of final plans and specifications for the project by the Director; and

b) The applicant entering into a formal agreement with the City of Winnipeg.

Report of the Standing Policy Committee on Protection and Community Services dated June 5, 2000

III. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.

Adopted by consent.

Agreements to receive Auto Crime Prevention Grants from the Province of Manitoba and Manitoba Public Insurance File GF-2 (Vol. 53)

715 - 10. The Standing Policy Committee on Protection and Community Services has been advised that in September 1999, the Department of Justice and Manitoba Public Insurance (MPI) announced approximately $1,500,000.00, was available to organizations to target auto theft through the H.E.A.T.T. Program (Help Eliminate Auto and Truck Theft). The H.E.A.T.T. Committee recommended four applications from various units within the Winnipeg Police Service be approved to receive grant funds in various amounts for four different projects designed to target auto crime. The Auto Crime Prevention Grant Program funded by the Manitoba Public Insurance Corporation and administered by the Manitoba Department of Justice requires the City of Winnipeg to enter into an agreement before grant monies can be awarded.

The four projects designed to target auto theft crime, are as follows:

S.T.E.A.L. Project

The first project, to be implemented by the Winnipeg Police Service Stolen Auto Unit, is called S.T.E.A.L (Satellite Tracking Eliminates Auto Loss).

Division 13 - Community Policing Project

The second project, to be implemented by the Winnipeg Police Service, will target problem areas identified by their high rate of auto crime in Division 13 (District 3).

Tire Deflation Devices

The third grant is destined for a project to be implemented by the Winnipeg Police Service Vehicle Operations Unit. The monies from this grant will be used to purchase an additional 45 tire deflation devices to supplement the Police Service's existing supply of ten tire deflation devices. The tire deflation devices are used to terminate a police pursuit at the earliest opportunity.

Division 11 Community Support Unit Project – Raid Jackets

The fourth grant is for a project created by the Winnipeg Police Service, Division 11, Community Support Unit. A grant of $500.00 will be used to purchase raid jackets. Plainclothes officers will wear the jackets to identify themselves as police officers during the arrest phase, which will target auto crime in Division 11.

Council approval is required to enter into agreements with other levels of government or outside agencies.

The Standing Policy Committee on Protection and Community Services recommends:

I. That the City of Winnipeg enter into an agreement with The Manitoba Public Insurance Corporation and Department of Justice, Province of Manitoba to receive Auto Crime Prevention Grants, as follows:

a) $147,600.00, for the S.T.E.A.L. Project;
b) $98,487.67, for a project to be implemented by the Winnipeg Police Service, Division 13 - Community Policing Project;
c) $28,690.66 for Tire Deflation Devices, and
d) $500.00 for a project to be implemented by the Winnipeg Police Service, Division 11 - Community Support Unit.

Report of the Standing Policy Committee on Protection and Community Services dated June 5, 2000

II. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

Moved by Councillor Vandal,
Adoption of the clause.

Carried.

STANDING POLICY COMMITTEE ON PROTECTION AND COMMUNITY SERVICES

CONSIDERATION OF BY-LAWS

716 - On motion of Councillor Vandal, the following by-laws were read a first, second and third time, the rule being suspended for the third reading of each by-law, and were passed and ordered to be signed and sealed, namely:-

By-law No. 7651/2000, a by-law of The City of Winnipeg to amend By-law No. 4676/87, being the Alarm By-law. File GF-2.6 (Vol. 17)

By-law No. 7652/2000, a by-law of The City of Winnipeg to amend the Amusement Tax By-law No. 3107/81. File FL-6 (Vol. 21)
