Subject: Land dedication

Hi Josie:

Under new business I would like to move $12 000 from land dedication for benches, fencing and 20 extra tress along the new pathway system in Bruce Park. I would like a plan approval for the benches, fences and trees to come back to ACC for November. These items were suppose to be apart of the original $150 000 for park re-development but due to expanded construction costs were left out of the tender.
