**Minute No. 226**
**Report – Executive Policy Committee – January 31, 2007**

**Item No. 2** **St. Vital Park - Land Dedication Reserve**
**File EP-2**

COUNCIL DECISION:

Council concurred in the recommendation of the Executive Policy Committee and adopted the following:

1. That funding to assist with the cost of the Entry Gate/Play Tower Structure project in St. Vital Park, in the amount of $14,000.00, be allocated from the Riel Land Dedication Reserve.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

**Report – Executive Policy Committee – January 31, 2007**

DECISION MAKING HISTORY:

Moved by His Worship Mayor Katz,
That the recommendation of the Executive Policy Committee be adopted by consent.

Carried

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On January 31, 2007, the Executive Policy Committee concurred in the recommendation of the Riel Community Committee and submitted the matter to Council.

COMMUNITY COMMITTEE RECOMMENDATION:

On January 16, 2007, the Riel Community Committee recommended to the Executive Policy Committee:

1. That funding to assist with the cost of the Entry Gate/Play Tower Structure project in St. Vital Park, in the amount of $14,000.00, be allocated from the Riel Land Dedication Reserve.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Marc,

Further to discussions with the councillor back in early December, I would like to make a formal request at Riel Community Committee for $14,000 in funds to purchase and install one of two proposed "Entry Gate/Play Tower" at this site. The intended location is at the south entry to the play area, close to the tree line facing the parking lot. The intended purpose, in addition to being a play amenity in itself, is to complement and draw attention to the new castle theme play equipment that has just been installed north of the trees and partially hidden from view.

Attached please find a copy of the site plan, and a 3 dimensional rendering of the "Entry Gate/Play Tower" Structure. Please contact me if you require any additional information.

Sincerely,

Donna Beaton, B.E.S., MLArch
