DECISION MAKING HISTORY:

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On February 14, 2007, the Executive Policy Committee referred the following to the Administration for report back in 30 days or less, namely:

> That the Chief Administrative Officer develop and implement a public education campaign, which may include the insertion of printed information in the water/sewer bill envelopes, illustrating steps taken by the City of Winnipeg to address pollution issues arising from the state of Lake Winnipeg, and also demonstrating and placing into context the City of Winnipeg's contribution to reduce the levels of nitrogen and phosphorous released into Lake Winnipeg when compared to all pollution sources, be they Municipal, First Nation, Provincial, International, Agricultural or Industrial.
