RE: EXTENSION OF TIME - Proposed subdivision and rezoning on land located at 1390 Grant Avenue - File No. DASZ 15/05

RECOMMENDATION:

That your Community Committee recommend to the Standing Policy Committee on Property and Development that it recommend to Council that the time to provide for the enactment of this necessary rezoning by-law under File No. DASZ 15/05 be extended to April 25, 2009.

REASON:

Council approval is required for all extensions of time.

HISTORY:

On July 27, 2005, Council adopted Item No. 16 of the report of the Standing Policy Committee on Property and Development dated June 7, 2005 which clause recommended approval of the subject rezoning to a "C1.5" COMMERCIAL DISTRICT as shown on Schedule "A" attached to allow for commercial development.

Recommendation 5 contained in said report stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

The By-law has not be enacted and the twenty-four (24) month time limit will expire on July 27, 2007.

DISCUSSION:

The applicant, 4953186 Manitoba Ltd., Attention: Mr. Myles Kraut, 30 Ramsgate Bay, Winnipeg, Manitoba, R2P 0V4 is requesting a two-year extension of time in order to complete the necessary subdivision and rezoning requirements. The applicant indicated that they have been trying to market the subject property and have been unsuccessful in finding a purchaser. They have now found a purchaser but will require an extension of time in order to complete all of the necessary conditions required to have the by-law prepared for Council.

The administration has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
