COMMITTEE RECOMMENDATION:

On January 15, 2010, the Winnipeg Committee for Safety passed the following motion, namely:

1. That the 2010 workplan initiatives are within the current mandate of the Winnipeg Committee for Safety and will be carried out utilizing the existing Winnipeg Committee for Safety budget.

2. That the Winnipeg Committee for Safety regularly consult with the other Citizen Advisory Committees and City Departments in the development and delivery of its initiatives to address mutual concerns and ensure there is no overlap or duplication of effort.

3. That the 2010 Workplan and budget be approved and submitted to the Executive Policy Committee.

2010 WORKPLAN & BUDGET

—

January 15, 2010

All actions are within the current mandate and existing budget of the WCFS.
The WCFS consults with all other Citizen Advisory Committees and City Departments on a regular basis in the development and delivery of its initiatives.

Connections and partnerships are at the heart of our approach.
Championing innovative ways of working together to address mutual concerns is what we do.

Action Item:	Description:	By:
OurWinnipeg	Lead in the development and implementation of the Safety & Security component of OurWinnipeg; the most important document & public consultation process ever prepared by the City of Winnipeg.	On going
Falls Alert Index	Develop & deliver a Falls Alert Index (similar to UV index, etc), with educational messaging to assist all residents, and in particular, those at higher risk of falling in making safer decisions in regards to weather and road/sidewalk conditions. *The Falls Alert index will be the first of its kind.*	Dec 31/10
Crime Prevention Through Environmental Design (CPTED) guidelines	Develop and present a CPTED policy to guide planning decisions – ensuring our built and natural environment contributes to safety and reduces the opportunity for crime to occur. *Effective CPTED strategies can result in a significant reduction in calls for service & improved perception of safety.*	TBD
SafeGrowth: Planning for Safe Neighbourhoods Strategy	Through Neighbourhood Integrated Service Teams, and with community involvement, the Winnipeg Police Service and other City departments, integrate safety planning into the community design process while emphasizing capacity building and strengthening community bonds. *This innovative strategy will be the first of its kind, formalizing safety as a principle of city building.*	TBD
Safe Communities initiatives	Supporting the efforts of the Safe Communities Winnipeg initiative – a big-picture and multi-faceted approach to safety. *Co-Funded by community partners* *Safe Communities Winnipeg initiative is working towards World Health Organization and United Nations "Safe Community" designation for the City of Winnipeg.*	On going
