Dear Sirs/Madams:

I am writing to request Ord Street in the Seven Oaks community be renamed "Marymound Way."

In 2011, Marymound will be celebrating its 100th anniversary. We are a social services organization that has have been providing support and counselling to Manitoba's children and families since 1911. First on our site at Scotia Street and Forrest Avenue in Winnipeg and now throughout the city and province, Marymound has grown to help over 3000 children every year. We estimate over 60,000 young people have been supported by our services since our doors first opened.

Ord Street runs along the west side of our property. It is a short street, only four blocks between Forrest and Armstrong Avenues. As far as we have been able to determine there are no business or residential addresses on Ord that would be impacted by the change.

I am requesting the name change to commemorate 100 years of service to the community and the significant positive Marymound impact has had on disadvantaged children. I understand the request must be made at a meeting of the Lord Selkirk - West Kildonan Community Committee. Please consider this letter to be a formal request.

If you have any questions or require further information, please contact

Yours truly,

Ian Hughes
