REPORT

REASON FOR THE REPORT:

As the term of the contract exceeds 5 years and the contract creates an absolute commitment for funds not yet approved by Council, Council must approve the award of contract.

HISTORY:

Funds for this work are included every year in the Annual Current Budget for Mechanical Collection of Solid Waste, Account Distribution No. 001 521080 201962 999.

DISCUSSION:

The work of this contract consists of the collection of garbage from metal containers of a size and type suitable for mechanically dumping into collection vehicles, as envisioned by Clause 7(a)iii of the Solid Waste By-law. The area boundaries for collection will be South of the Assiniboine River and West of the Red River in the City of Winnipeg.

The major component of the work is the provision of regular garbage collection services to apartments, small commercial premises, and Civic operated facilities that utilize authorized metal containers suitable for frontloading or roll-off garbage collection vehicles. All of the collected garbage will be transported to the Brady Road Landfill.

The Bid Opportunity closed on August 1, 2007, with bids being received as follows:

BFI Canada Inc	$480,695.00/yr
Halton Recycling Ltd.	$557.392.23/yr

dba International Paper Industries
Waste Management of Canada Corporation $682,594.43/yr

Solid Waste Services staff of this Department are satisfied that the low Bidder has the necessary resources to perform all of the work in accordance with the requirements of the specifications. The low Bidder has satisfactorily carried out previous works of a similar nature.

The Manager of Materials Management Branch has advised that each of the bid submissions was accompanied by a bid bond and an agreement to bond, which have been certified by the Legal Services Division.

The requirements for the execution of a formal contract was waived for this contract in accordance with the authority delegated to the Manager of Materials pursuant to Administrative Directive FM-002.

The bid recommended for acceptance is the low bid meeting all requirements of the specifications. This offer is open for acceptance until October 30, 2007.
