Agenda - Executive Policy Committee – November 16, 2005

REPORTS

Item No. 3 Northwood Community Centre Hockey Players Box - Land Dedication Reserve
File EP-2

COMMUNITY COMMITTEE RECOMMENDATION:

On November 8, 2005, the Lord Selkirk-West Kildonan Community Committee recommended to the Executive Policy Committee:

1. That funding to assist with the cost of the hockey player's box (Rink No. 2) project in the amount of $1,500.00 be allocated from the Lord Selkirk-West Kildonan Land Dedication Reserve to the Northwood Community Centre.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

DECISION MAKING HISTORY:

COMMUNITY COMMITTEE RECOMMENDATION:

On November 8, 2005, the Lord Selkirk-West Kildonan Community Committee recommends to the Executive Policy Committee:

1. That funding to assist with the cost of the hockey player's box (Rink No. 2) project in the amount of $1,500.00 be allocated from the Lord Selkirk-West Kildonan Land Dedication Reserve to the Northwood Community Centre.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

COMMUNITY COMMITTEE DECISION:

On November 8, 2005, the Lord Selkirk-West Kildonan Community Committee received as information the application from Northwood Community Centre for a Community Incentive Grant in the amount of $1,500.00.

Community Incentive Grant Program
Community Services Department
8th. Floor – 395 Main Street
Winnipeg, Manitoba
R3B 3N8

The Northwood Community Centre executive is requesting funding from the Community Incentive Grant Program towards two projects that are presently being done at our centre that we are not in a financial position to make payment for. It is very urgent that these two projects be completed before the snowfall. Any delay in these projects would jeopardize them and result in further deterioration or loss of any benefits being realized by our centre.

Both projects were due to unexpected events that necessitated that repairs or renovations to the structures involved be done expediently before the coming of winter.

Funding request # 1 in the amount of approximately $2,500. plus applicable taxes is for replacement of one walk-in door and one overhead door to our outdoor storage shed, paint for exterior finish of this shed and lighting upgrade for the interior of this shed.

Funding request # 2 for approximately $1,500. plus applicable taxes is for rebuilding the flooring of a players box for hockey rink #2 at Northwood Community Centre. This structure was destroyed by winds during the July 16th. storm and the rebuilding of the frame structure, excluding flooring, is being fully covered by the City of Winnipeg Claims department. Reference number for this insurance claim is # 272.

As Northwood Community Centre is financially unable at this time to expend any funding to these renovations/repairs, and that all other funding has been secured, we are asking that the 50% maximum funding from the C.I.G.P. program be waived at this time to ensure completion, and payments, of the two noted projects.

Please contact the writer if you require any further information regarding the above.

Yours sincerely,

George Vanderlip

George Vanderlip
President, Northwood Community Centre

Northwood Community Centre request for Community Incentive Grant Program
10/24/2005

Request for funding for reconstruction of flooring for Hockey Players Box

As a result of the July 16th. 2005 storm the player's boxes structure attached to our permanent hockey rink # 2 at Northwood Community Centre was completely destroyed. A claim, reference # 272, was initiated with the City of Winnipeg Claims Department.

The City of Winnipeg Claims Department has awarded reconstruction to ADL Builders for rebuilding the players box structure at $5,631.34. plus applicable taxes. The City of Winnipeg has preapproved payment of the invoice upon receipt. The Northwood Community Centre does not have the financial capabilities at this time to pay the cost of this claim and await reimbursement from the City of Winnipeg, as per normal insurance claim procedures.

As Northwood Community Centre is financially unable at this time to expend any funding to these renovations/repairs, and that all other funding has been secured, we are asking that the 50% maximum funding from the C.I.G.P. program be waived at this time to ensure completion.

Northwood Community Centre is requesting C.I.G.P. funding, not to exceed $1,500. plus taxes, to upgrade base flooring for the players boxes before the reconstruction of the structure is proceeded with. The work to the flooring is the responsibility of the centre and we feel strongly that this work should be done to ensure a base that will not require heavy renovation in future.

It is imperative that this player's box be reconstructed before winter so that this hockey rink can be used during the upcoming hockey season. Without proper player's boxes no regular season games or tournament games would be sanctioned to be played on this rink.

Approved replacement value has been preapproved for payment by the City of Winnipeg Claims Department to ADL Builders in the amount of $5,631.34 plus applicable taxes. Northwood Community Centre feels strongly that the flooring should be upgraded at this time as the major structure will be of new building materials and the current flooring may require replacement in the near future. Projected cost of the upgrading of the flooring will be kept to a minimum with the use of lumbers deemed to be salvageable from the original flooring structure by ADL Builders.

Good Morning Terry,

In receipt of the new estimate from A & L Construction and the thing that pops out at me is:

Unless you can get A & L to do the Players box for the same estimate as ADL Builders the Community/Community Services will be paying more for the floor because....

Obviously I will want the lowest estimate which is $5,631.34 (plus gst) from ADL Builders but...their costs for the floor is outrageous @ $2,264.63 (plus gst) compared to $1,008.00 (plus gst).

So unfortunately, I authorize/approve of ADL Builder's estimate to rebuild/repair the player's box.

You know my number,

Bev
