REASON FOR THE REPORT:

CentreVenture has requested that the properties located at 388 Hargrave Street and 386 Hargrave Street be added to Schedule A of the Asset Agreement. In accordance with existing policy, this request requires Council approval.

HISTORY:

Lot No. 1

The subject property has been acquired through completion of the tax sale process. Particulars of the subject property are as follows:

Certificate of Title No. 2020539 for the subject property issued in the name of the City of Winnipeg on June 8, 2004

Location:	388 Hargrave Street between Cumberland and Qu'appelle Avenues, as shown on the attached Misc. Plan No. 12017/1
Legal Description:	Lot 47, Plan 24208
Certificate of Title:	2020539
Assessment:	$60,500.00
Zoning:	RB NRA BR1 PL1 S1 PLO
Site Size:	7.62 m x 36.576 m = ± 278.7 m² (25 ft. x 120 ft. = ±3000 sq.ft.)
Historical Status:	The property presently does not have a historical designation. It is however, listed on an inventory of properties that have the potential to be so designated. Consequently in the event a demolition should be recommended, the required permit application would be held in abeyance pending a decision from the Historical Buildings Committee as to whether the building has merit for designation or alternatively to be removed from the inventory listing.
Property Description:	The subject property consists of a two-storey single family type dwelling built in 1891 and comprising 2358 sq.ft. on a part basement and apparently in poor condition.

Lot No. 2

The subject property has been acquired through completion of the tax sale process. Particulars of the subject property are as follows:

Certificate of Title No. 2076497 for the subject property issued in the name of the City of Winnipeg on April 28, 2005, pursuant to Tax Sale No. 107/29.

Location:	386 Hargrave Street, between Qu'appelle and Cumberland Avenues as shown on the attached Misc. Plan No., 12509/1
Legal Description:	Lot 48, Plan 24208
Certificate of Title:	2076497
Assessment:	$37,500.00
Zoning:	D, Downtown Living Sector
Site Size:	7.62 m x 36.576 m = ±278.7 m² (25 ft. x 120 ft. = ±3,000.00 sq.ft.)
Property Description:	The subject property is a vacant lot.

DISCUSSION:

The subject properties were circulated in the usual manner and no civic need was identified for the subject properties; nor are any easements required.

The subject properties are located in an area in which the Asset Agreement, between the City of Winnipeg and CentreVenture Development Corporation, specifies that CentreVenture has the option to purchase all future City-owned property acquired in tax sale.

A sale of these properties, as a result of CentreVenture exercising its Option, will:

- cause the properties to be reinstated on the active realty tax roll;
- remove the City's responsibility for on-going maintenance of the properties;
- provide an additional opportunity for redevelopment, enhancement and rejuvenation of Winnipeg's downtown.

Financial Impact Statement

Date: October 20, 2005

COMMENTS:

The recommendation in this report is that the subject properties be added to the CentreVenture Asset Agreement. The financial implications include potential incremental municipal realty tax revenues and the avoidance of maintenance costs related to these properties. Given the amounts involved, there are no material financial implications associated with this report.
