ADMINISTRATIVE REPORT

Title: SPA 3/2010 – First Reading, Part of Former Railway Line North of Kingsway Street and South of Academy Road

Issue: SPA 3/2010 - Secondary Plan Amendment to the Winnipeg *Airport Vicinity Development Plan* (By-law 6378/94) to move the boundary line between AVP 1 and AVP 2 from the centerline of the old railway right-of-way north of Kingsway and south of Plan 42703 to the centerline of the lane to the east of the old railway right-of-way as per the attached map – First Reading

Critical Path: Standing Policy Committee on Property and Development → Executive Policy Committee → Council

RECOMMENDATIONS

That a By-law to amend the Secondary Plan known as the *Winnipeg Airport Vicinity Development Plan* (By-law 6378/1994), be forwarded to Council for First Reading to allow for the City Centre Community Committee to conduct a public hearing.

REASON FOR THE REPORT

This report is for consideration by the Standing Policy Committee on Property and Development, Executive Policy Committee and, ultimately, Council to determine whether a By-law to amend the Winnipeg *Airport Vicinity Development Plan* (By-law 6378/1994), should be given First Reading and proceed to a public hearing.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the City Centre Community Committee will conduct a public hearing on the proposed secondary plan amendment in combination with a rezoning application, a variance application and an amendment to the map in the Airport Protection Area Planned Development Overlay PDO-1. (Files DAZ 226/10, DAV 10-165924/D, and DAZ 225/10, respectively).

HISTORY

The proposed amendment is to move the boundary line between AVP 1 and AVP 2 from the centerline of the old railway right-of-way north of Kingsway and south of Plan 42703 to the centerline of the lane to the east of the old railway right-of-way as per the attached map.

Moving the boundary is required prior to rezoning the subject lands for multiple-family residential development. The proposed development, which will be considered in subsequent rezoning and variance applications, is the final phase of the Centennial Park development, which includes a total of 92 bungalow condominium units between Corydon Avenue and Academy Road on the former Oak Point Subdivision Railway land. The first two phases have already been approved and preliminary site work has commenced.

This report recommends that said by-law be given First Reading and proceed to a public hearing.

A Secondary Plan By-law requires First Reading at Council and then a public hearing prior to Second and Third Readings at Council, in accordance with the Development Procedures By-Law
(No. 5893/92) and Subsection 234(3) of *The City of Winnipeg Charter*.
