RECOMMENDATIONS

That the time limit to provide for coming into force of rezoning By-law No. 108/2011 under File No. DASZ 17/10 be extended to September 28, 2013.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

The applicant will be granted a one (1) year extension of time in order to allow for the registration of the plan of subdivision and zoning agreement for DASZ 17/2010 at Winnipeg Land Titles to satisfy By-law No. 108/2011 coming into force requirements.

HISTORY

On September 22, 2010, Council adopted Item No. 12 of the report of the Standing Policy Committee on Property and Development dated September 14, 2010 which clause recommended approval of the subject subdivision and rezoning to a "RMF-M" RESIDENTIAL MULTI-FAMILY (MEDIUM) DISTRICT as shown on Appendix "A" attached to allow for the construction of a multiple family dwelling development.

Recommendation 5 contained in said report stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twelve (12) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twelve (12) month period and the extension is subsequently approved by Council."

On September 28, 2011, By-Law No. 108/2011 was enacted by the passage of City Council. Section 3 of the By-law stipulates:

> "3(1) Section 1 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office.
>
> (2) Section 2 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office and Zoning Agreement DASZ 17/2010 is registered in the Winnipeg Land Titles Office by caveat against the subject land, all within one year from the date this By-law is passed, failing which this By-law expires unless that date is extended by resolution of City Council and the plan of subdivision and caveat are registered before such extended date".

By-law No. 108/2011 has not come into force by the registration of the Plan of Subdivision and the registration of Zoning Agreement DASZ 17/2010 by caveat and the one year time limit has expired on September 28, 2012.

The owner, Dave Barkman, Box 5086, Steinbach, Manitoba R5G 1L4 is requesting an extension of time in order to complete the necessary registrations, see attached Appendix "B".

The Winnipeg Public Service has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time is acceptable, and circumstances leading to the original approval remain unchanged.

FINANCIAL IMPACT

There is no financial impact associated with this recommendation.

Hi Rob,

In review of this file and the rezoning request, it appears the rezoning did not get completed.
Could you please advise what needs to be done to get the rezoning done at this point.
I must have missed something to complete the rezoning process at the time.
We do want to proceed to get this done.

Thanks
Dave Barkman
