Report

REASON FOR THE REPORT:

In accordance with policy, the Planning, Property and Development Department is reporting Real Property sales transactions completed within the first half of 2008.

HISTORY:

The Planning, Property and Development Department has developed a process to disclose certain information pertaining to the sale of City-owned property to the public, as recommended in the Audit of "Winnipeg Arena" Request for Proposals.

At its meeting held on September 26, 2007, Council adopted the process of disclosing to the public the name(s) of Purchasers and the price paid for real estate transactions, which requires the Planning, Property and Development Department to produce a semi annual report to Council on all sales of City-owned property.

DISCUSSION:

In this regard, a listing of all sales of City-owned property completed within the first half of 2008 is attached as Schedule "A".

To be clear, the attached does not contain approved sales in progress, but rather completed sales, where title has been transferred. This type of information is presently public and can be obtained at The Property Registry of the Province of Manitoba.
