REPORT

REASON FOR THE REPORT:

As the term of the contract exceeds five years and the contract creates an absolute commitment for funds not yet approved by Council, Council must approve the award of contract.

HISTORY:

Funds for this work are included every year in the Annual Current Budget for Mechanical Collection of Solid Waste, Account Distribution No. 001 521080 201962 999.

DISCUSSION:

The work of this contract consists of the collection of garbage from metal containers of a size and type suitable for mechanically dumping into collection vehicles, as envisioned by Clause 7(a)iii of the Solid Waste By-law. The area boundaries for collection will be North of the Assiniboine River and West of the Red River in the City of Winnipeg.

The major component of the work is the provision of regular garbage collection services to apartments, small commercial premises, and Civic operated facilities that utilize

authorized metal containers suitable for frontloading or roll-off garbage collection vehicles. All of the collected garbage will be transported to the Brady Road Landfill.

The Bid Opportunity closed on August 1, 2007, with bids being received as follows:

	Annual Bid Price	7 Year Total Price
BFI Canada Inc	$ 647,650.00	$4,533,550.00
Halton Recycling Ltd. dba International Paper Industries	$1,076,592.09	$7,536,144.63
Waste Management of Canada Corporation	$1,079,343.60	$7,555,405.20

The prices bid have been used to evaluate the bid submissions. In accordance with Clause B8 Prices the unit prices will be adjusted on February 1, 2009 and on subsequent anniversary dates based on Statistics Canada Consumer Price Indices for All-items (for the City of Winnipeg), Gasoline (private transportation for the Province of Manitoba) and Average Hourly Earnings (employees paid by the hour in truck transportation for the Province of Manitoba).

Solid Waste Services staff of this Department are satisfied that the low Bidder has the necessary resources to perform all of the work in accordance with the requirements of the specifications. The low Bidder has satisfactorily carried out previous works of a similar nature.

The Manager of Materials has advised that each of the bid submissions was accompanied by satisfactory bid security.

The bid recommended for acceptance is the low bid meeting all requirements of the specifications. This offer is open for acceptance until November 19, 2008.

FINANCIAL IMPACT:

The following financial impact statement for this project has been prepared in accordance with the recommendation adopted by Council on December 13, 2000.
