RE: GROSVENOR SQUARE BUSINESS IMPROVEMENT ZONE
NO SUBMISSION OF A 2006 PROPOSED BUDGET

Dear Mr. Kachur

Please be advised that the Grosvenor Square Business Improvement Zone (BIZ) is not prepared to submit a
"Proposed Budget and Program" to the City of Winnipeg for the 2006 Year.

The Grosvenor Square Business Improvement Zone is aware that if the Board has failed to submit annual budgets to Council for approval in two consecutive years the BIZ zone may be terminated.

At this point the Grosvenor Square Business Improvement Zone would wish to review its options with regards to zone boundary changes, which may help permit the continued existence of the zone. If this option does not work, then the BIZ zone is prepared to be terminated.

Thank you for your understanding
Yours Sincerely,

Darren Quiring
