Dear His Worship Mayor Brian Bowman & City of Winnipeg Council Members,

RE: OFFER TO PURCHASE THE VIMY ARENA & SURROUNDING GREEN SPACE

The Board of Directors of Friends of Sturgeon Creek hereby direct Greg Hammond, President to submit a public offer of $100.00 for the purchase of the Vimy Arena and surrounding green space on behalf of our association. Our offer is $100.00 versus the current $1.00 offer you have received from the Manitoba Housing and Renewal Corporation (MHRC).

Our intent is to maintain the property and surrounding green space for public use, and to further enhance the area for recreational use by the community, under currently zoned (PR2) status.

We look forward to your written response to our offer to purchase the Vimy Arena and surrounding green space. (Hard copy document to follow this correspondence.)

Sincerely,

Gregory Hammond, President
Friends of Sturgeon Creek
