This By-law provides for the cost to be charged for the installation of lighting services as local improvements.

F. N. Steele,
City Solicitor.

BY-LAW NO. 2861/81

A By-law of The City of Winnipeg
to amend By-law No. 98/72, being a
By-law providing for the regulation
of local improvements.

THE CITY OF WINNIPEG, in Council assembled, enacts
as follows:

1. Section 3 of By-law No. 98/72, as amended by By-laws numbered 364/73, 432/73, 2612/80 and 2742/80, is further amended as follows:

- (a) by deleting therefrom sub-clauses (a) and (b) of subsection (1) thereof;
- (b) by deleting therefrom subsection (2) thereof;
- (c) by deleting the number and brackets "(1)" where same appear in the title thereof;
- (d) by deleting the brackets and letter "(c)" at the beginning of sub-clause (c) of subsection (1) and substituting therefor "(1)";
- (e) by deleting the brackets and letter "(d)" at the beginning of sub-clause (d) of subsection (1) and substituting therefor "(2)";
- (f) by deleting the brackets and letter "(e)" at the beginning of sub-clause (e) of subsection (1) and substituting therefor "(3)", and by further amending said sub-clause (e) by deleting the brackets and letter "(d)" where same appear in the first line thereof and substituting therefor "(2)".

2. By-law No. 98/72 is further amended by adding thereto, immediately after Section 5 thereof, the following section:

5.1 Lighting Services

(1) Ornamental Street Lighting.

(a) The special assessment to be levied in respect to ornamental street lighting installed as a local improvement shall be uniform throughout the City and shall be imposed as follows:

Each owner of land fronting on a street where ornamental street lighting is installed shall pay to the City the sum of \$ 5.50 for each foot of frontage of that land subject to the flankage allowances in Section 9.

(b) Any ornamental street lighting that is of greater illuminating capacity than the standard type shall, for the purpose of assessing and levying the cost thereof, be deemed to be a standard type of ornamental street lighting as defined in this clause, and the cost of the excess illuminating capacity or of any other extra cost of the installation in excess of what would have been the cost of the standard type of ornamental street lighting, shall be borne by the City at large.

(c) In this clause "the standard type of ornamental street lighting" means the type of ornamental street lighting determined by the Council at the given time as providing adequate illuminating capacity for lighting ordinary residential streets.

(2) Wood Pole Lane Lighting.

The special assessment to be levied in respect to wood pole lane lighting installed as a local improvement shall be uniform throughout the City and shall be imposed as follows:

Each owner of land fronting on a public lane where wood pole lane lighting is installed shall pay to the City the sum of \$ 0.45 for each foot of frontage of that land subject to the flankage allowances in Section 9.

(3) Ornamental Lane Lighting.

The special assessment to be levied in respect to ornamental lane lighting installed as a local improvement shall be uniform throughout the City and shall be imposed as follows:

Each owner of land fronting on a public lane where ornamental lane lighting is installed shall pay to the City the sum of \$ 3.00 for each foot of frontage of that land subject to the flankage allowances in Section 9. -
