EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On November 28, 2018, the Executive Policy Committee laid over the recommendation of the City Centre Community Committee for 30 days.

COMMUNITY COMMITTEE RECOMMENDATION:

On September 18, 2018, the City Centre Community Committee passed the following motion:

WHEREAS the preliminary design for the widening of Kenaston Blvd (Route 90) includes widening providing three through lanes each way, which widens the road on the east side;

AND WHEREAS the City is committed to considering property impacts along the corridor as part of the design process;

AND WHEREAS widening the road on the west side will reduce the number of homes to be expropriated and reduce the negative impact on the surrounding neighborhoods;

AND WHEREAS widening the road on the west side would require relocating all, or part of, the Manitoba Youth Centre;

THEREFORE BE IT RESOLVED that the Executive Policy Committee be requested to direct the Winnipeg Public Service to formally request the Province of Manitoba to relocate the Manitoba Youth Centre to accommodate the expansion of Kenaston Boulevard.
