The By-law requires the Director of the Planning, Property and Development Department to annually review the list of non-profit organizations contained in the By-law for the purpose of determining whether the organizations continue to use the corresponding properties.

At the Executive Policy Committee meeting held on May 5, 2010, the Committee requested *"the Winnipeg Public Service to include a listing of the corresponding properties or portions of them they occupy as identified on the table in Section 2 of the Community Groups Occupying City-*

- In 2004, the Province of Manitoba amended the MAA to eliminate the restriction on the exemption for City-owned properties occupied by non-profit groups operating community centres. However, the amendment is only applicable where the groups and properties are identified in a By-law.

- At its meeting held on April 27, 2005, Council approved a list, prepared by the Public Service, of properties and occupiers for exemption.
- At its meeting held on December 6, 2006, Council approved the 2006 Annual Report regarding the Community Groups Occupying City-owned Facilities – By-law 89/2005.
