Explanation re BY-LAW NO. 2612/80

A By-law to amend By-law No. 98/72, being the local improvement by-law, dealing with granular surface roadways.

F. N. Steele,
City Solicitor.

BY-LAW NO. 2612/80

A By-law to amend By-law No. 98/72.

THE CITY OF WINNIPEG, in Council assembled, enacts as follows:

Section 6 of By-law No. 98/72, as amended by By-law No. 364/73, is further amended as follows:

(a) Subsection (2) thereof is amended by deleting from the first line thereof the brackets and letter "(a)";

(b) Clause (2)(i) thereof is amended by deleting the following words from the first and second lines thereof:

"graded and gravelled roadways, being roadways"

and substituting therefor the following:

"granular surface roadways, being graded and gravelled roadways";

(c) Subclause 2(a)(i)(ia) thereof is amended by deleting the word "year" where same appears in the third line thereof and substituting therefor the word "stage";

(d) Subclause 2(a)(i)(ib) thereof is amended by deleting the word "year" where same appears in the third line thereof and substituting therefor the word "stage";

(e) Clause (i) of subsection (2) thereof is amended by adding immediately after subclause (id) the following subclause:

"(ie) an application of gravel or crushed stone on existing graded and gravelled roadways as may be authorized;"

(f) Clause (ii) of subsection 2 thereof is amended by deleting the word "years" where same appears in the fourth line thereof and substituting therefor the word "stages";

(g) By adding immediately after subsection (2) the following subsection:

"(2A) Provided, however, that granular surfaced roadways shall be maintained, for a period of three years from the date of completion of the

construction of same as a local improvement, at the cost of the City at large, after which time the maintenance work shall consist of grading only."

(h) By adding immediately at the end thereof the following subsection:

"(4) Notwithstanding any other provision herein, the levy for granular surface roadways, and for the gravelling of existing granular roadways in respect to properties zoned agricultural shall be assessed at a maximum frontage of three hundred feet for any single property holding. If the frontage of any single property holding fronting a graded and gravelled roadway exceeds three hundred feet the excess shall be exempt from levy and the cost for the graded and gravelled roadway fronting on such portion of land shall be borne by the City at large."
