RECOMMENDATIONS

1. That Council enact amendments to Schedule E of the Streets By-law No. 1481/77 and Schedule 1 of the Traffic By-law No. 1573/77 (draft amending By-law attached) to accommodate the following street name changes:

   (a) Water Avenue to William Stephenson Way; and

   (b) Doreen Street to St. John Ambulance Way.

2. That the proper officers of the City do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Should Council approve the recommendations, the Streets and Traffic By-Laws will be updated with Street name changes.

IMPLICATIONS OF THE RECOMMENDATIONS

It is necessary to amend the Traffic By-law and Streets By-law whenever the name of an existing street that is listed as a Truck Route in the Traffic By-law, or that is listed in the Streets By-law upon which peak period stopping is prohibited, is changed. Council's decision to change these street names requires changes to the schedules in the Streets By-law and the Traffic By-law.

HISTORY

At its meeting on March 25, 2009, Council concurred in the March 3, 2009 recommendation of the Standing Policy Committee on Property and Development that the currently registered street name of “Doreen Street” be renamed “St. John Ambulance Way”.
At its meeting on September 30, 2009, Council concurred in the September 8, 2009 recommendation of the Standing Policy Committee on Property and Development that the currently registered street name of “Water Avenue” be renamed “William Stephenson Way”.
