Additional Comments:

1. "Existing Budget Amounts" are based on the 2011 Preliminary Operating Budget and the 2012 & 2013 projections from the 2011-2013 budget process. 2011 is sufficient to cover the terms of this agreement, however, 2012 & 2013 require budget adjustments of $1.56 million and $0.72 million respectively. The future budget for 2014 will reflect the CUPE settlement for that year.

2. "Existing Budget Amounts" include provision for a CUPE Education Training and Staff Development Fund, as well as available amounts in the Water & Waste Utilities and the Special Operating Agencies.

3. The Preliminary Operating Budget has not been adopted by Council. The City's 2012 and 2013 Preliminary Operating Budget will need to be increased to allow for the negotiated agreement. The City's multi-year budget does not include 2014. If approved, this contract will be included in future budget estimates.

Dear Mayor Katz:

Re: Review of the Memorandum of Agreement between the City of Winnipeg and the Canadian Union of Public Employees Local 500

Pursuant to the motion adopted by Council on March 26, 1997, "The City of Winnipeg Collective Bargaining Agreements and the Involvement of Internal and External Auditors", we have reviewed the attached report *Negotiations between the City of Winnipeg and the Canadian Union of Public Employees Local 500* ("the report") prepared by the Corporate Support Services Department. The purpose of our review was to provide certain assurances as to the completeness of the anticipated changes in the financial cost to the City of Winnipeg as a result of the Memorandum of Agreement between the City of Winnipeg and the Canadian Union of Public Employees Local 500 dated March 16, 2011. The term of the agreement covers the period from January 1, 2011 – December 27, 2014.

Our review included an assessment of the Memorandum of Agreement, and based upon the knowledge obtained from this assessment, ensuring that the net incremental costs and/or savings to the City of Winnipeg have been completely and appropriately identified, calculated and summarized and that all significant assumptions used by the Corporate Finance Department's Financial Planning and Review Division and Corporate Support Services' Labour Relations and Total Compensation Division to prepare the report are disclosed. In addition, we met with personnel from the Corporate Support Services and Corporate Finance Departments to review the process and details provided in the cost analysis.

The report represents the net incremental costs or savings projected to be incurred by the City of Winnipeg as a direct result of the Memorandum of Agreement. Since the analysis is based on the disclosed assumptions regarding future events, actual results for the agreement period will vary from those calculated. Accordingly, we do not express any opinion as to whether the estimated net incremental costs for the Agreement will be realized.

Based on this review, we conclude that this report has been prepared in an appropriate manner for the consideration of City Council. Our External Auditor, KPMG LLP, has also reviewed the report. A copy of the KPMG LLP report is attached.

Sincerely,

Brian Whiteside, CA•CIA

Review of the Incremental Cost of the Memorandum of Agreement between the City of Winnipeg and the Canadian Union of Public Employees dated March 16, 2011

To: The City Council of the City of Winnipeg

At the request of the City of Winnipeg, we have reviewed the Negotiations between the City of Winnipeg and the Canadian Union of Public Employees, Local 500 prepared by the Corporate Support Services (financial information) to analyze the costs of the provisions of the Memorandum of Agreement between the City of Winnipeg and the Canadian Union of Public Employees, Local 500, dated March 16, 2011 (Memorandum of Agreement). Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of inquiry, analytical procedures and discussion related to information supplied to us by the City of Winnipeg.

A review does not constitute an audit and, consequently, we do not express an audit opinion on this financial information.

Management of the City of Winnipeg has made assumptions regarding the interpretations of the provisions of the Memorandum of Agreement which have been disclosed in the Incremental Cost of Memorandum of Agreement.

Based on our review, nothing has come to our attention that causes us to believe that the financial information prepared by Corporate Support Services does not, in all material respects, reflect the cost of the provisions, and the assumptions regarding the interpretations of these provisions, of the Memorandum of Agreement between the City of Winnipeg and the Canadian Union of Public Employees dated March 16, 2011.
