Agenda – Executive Policy Committee – September 27, 2006

REPORTS

Item No. 1 Accessible Unisex Family Washrooms
File CR-3

ACCESS ADVISORY COMMITTEE RECOMMENDATION:

On September 19, 2006, the Access Advisory Committee passed the following motion, namely:

1. That this matter be referred to the Executive Policy Committee for information.

2. That the Access Advisory Committee agrees that an accessible unisex family washroom is acceptable provided that accessible signage is used to identify the location and, if applicable, the location and installation of the baby change table shall not impede the access and egress, the turning radius and the wheelchair transfer space to the toilet.

3. That the Plan Examination Branch, Planning, Property and Development Department be advised that the Access Advisory Committee finds this matter acceptable.

DECISION MAKING HISTORY:

ACCESS ADVISORY COMMITTEE RECOMMENDATION:

On September 19, 2006, the Access Advisory Committee passed the following motion, namely:

1. That this matter be referred to the Executive Policy Committee for information.

2. That the Access Advisory Committee agrees that an accessible unisex family washroom is acceptable provided that accessible signage is used to identify the location and, if applicable, the location and installation of the baby change table shall not impede the access and egress, the turning radius and the wheelchair transfer space to the toilet.

3. That the Plan Examination Branch, Planning, Property and Development Department be advised that the Access Advisory Committee finds this matter acceptable,

and submitted the matter to the Executive Policy Committee.
