

Repealed
By-law No. 101/2003 was repealed by By-law No. 1/2008 on January 23, 2008.
Therefore, this amending by-law is also deemed to be repealed.

THE CITY OF WINNIPEG

BY-LAW NO. 34/2005

**A By-law of THE CITY OF WINNIPEG to amend
the Mosquito Control By-law No. 101/2003.**

THE CITY OF WINNIPEG, in Council assembled, enacts as follows:

1. The Mosquito Control By-law No. 101/2003 is amended by this By-law.
2. Section 2 is amended by striking out the definition of "***mosquito breeding site***" and substituting the following in alphabetical order:

larval and pupal development site includes a low-lying area, receptacle or any other place or thing that contains mosquitoes in the egg, larval or pupal stages of development or in which mosquitoes in those stages of development can reasonably be expected to be found in the appropriate environmental conditions.
3. The By-law is amended by striking out "***mosquito breeding site***" wherever it appears in the By-law and substituting "***larval and pupal development site***".
4. Subsection 5(2) is amended by striking out "***By-law No. 58/2004***" and substituting "***By-law No. 34/2005***".
5. Section 7 is repealed and the following is substituted:

Notice

7(1) An order to remedy a contravention of this By-law must be issued in accordance with The City of Winnipeg Charter.

7(2) Notice of entry for the purposes of larviciding as a service on private property may be given by annually publishing in a newspaper having general circulation in the city a notice setting out the purpose for which entry is being made, the chemical or biological agents employed and the dates between which entries to private property may take place without further notice and, pursuant to section 119 of The City of Winnipeg Charter, the requirements for giving notice of entry for these purposes are hereby varied.

DONE AND PASSED in Council assembled, this 23rd day of March, 2005.
