Russ,
as you will see from the tender tab in my previous email we are short funds to complete the project as desired. specifically we will not be able to reconstruct the asphalt court and repaint the lines for tennis and basketball. Our current budget is approximately $170,000 including taxes. The tender closed at $204,829.00 excluding GST this has left us with a short fall of approximately $37,000.00 to cover the cost of the courts including GST. If the committee would like to see the asphalt works completed we will need to have these additional funds available to the project.

Thank you,
