RE: 2022 Education Support Levy Rate

As noted in the Preamble to the enclosed By-law, The Public Schools Act requires that, upon receiving a statement from The Public Schools Finance Board of the Province of Manitoba, the Council of each municipality must fix and impose a tax on property in the municipality sufficient to raise the amounts required to be raised for the education support levy. The City of Winnipeg has received from The Public Schools Finance Board a statement requiring the amount of $108,510,212.00 to be raised by levying a rate on assessable property in the city of Winnipeg.

Enactment of the enclosed By-law enables Council to comply with this statutory obligation. Please place it before Council at its meeting on March 24 for Council's consideration and enactment.
