AND WHEREAS the 2009 Winnipeg Wards Boundaries Commission - Final Report recommended that City Council should increase the size of City Council by two additional wards at least 18 months prior to the date of the 2014 General Civic Election, which would trigger a new Wards Boundaries Review to reshape City Council Wards for the 2014 General Civic Election;

AND WHEREAS *The City of Winnipeg Charter* provides City Council with the authority to increase the size by two positions;

THEREFORE BE IT RESOLVED that City Council increase the number of Council Wards as provided for in *The City of Winnipeg Charter* by 2 wards to 17;
