Fairness in Regulation

Municipalities today operate in an era of accountability. Governing is becoming increasingly complex, and government is subject to ever increasing scrutiny. Citizens have the right to expect that their governments – federal, provincial and municipal – will act in a fair, open and transparent manner.

Tourism

We provide a safe and economical for families travelling to Winnipeg

There are currently not accommodation besides STR servicing the Osborne Village, Osborne South and Corydon Village area.

We bring in thousands of customers for the local restaurants, shops, theater, museums and parks

Northern Communities

Because we offer suites with kitchens, 1 /2/ 3 bedrooms and are pet friendly. This allows families to come from Northern Communities to come in for medical, shopping and personal. These types of accommodations are not readily available in the city of Winnipeg.

Short Term Shelters

we have be able to provide short term safe accommodations for people in abusive relationships or who are in transition to long term accommodation, because we have suites and pet friendly and family friendly, we are able to provide all their essentials.

New Immigrants

we have welcomed several new families to Canada and helped them with their transition to a new country and city.

Hotels, Hostels, Bed and Breakfast, Rooming Houses and Short Term Rentals all Provide Similar services

The Competition Act contains both criminal and civil provisions aimed at preventing anti competitive practices in the marketplace. Its purpose is to maintain and encourage competition in Canada in order to: promote the efficiency and adaptability of the Canadian economy expand opportunities for Canadian participation in world markets while at the same time recognizing the role of foreign competition in Canada ensure that small and medium-sized enterprises have an equitable opportunity to participate in the Canadian economy

provide consumers with competitive prices and product choices.
