REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

The Planning, Property and Development Department has received a request from Shindico Realty, representing 0100986 Manitoba Ltd., to purchase the subject lane. The applicant proposes to construct a two story, 34,125 sq. ft. office building along Pandora Avenue for a facility for the Winnipeg Regional Health Authority. The applicant's property on Melrose Avenue will be used for parking. Approval of the required zoning variance was given by the Board of Adjustment under Application No. DAV 03-309328/C on June 4th, 2003.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing.

Access Agreements

City assessment records indicate the ownership of the lands in this block to be as follows:

the Scouts Park lands at 110 Winona Street (City of Winnipeg – leased to the 1st Transcona Boy Scouts and Cub Pack) the Pandora Inn lands at 103 Bond Street (79846 Manitoba Inc.)
the balance of the lands (0100986 Manitoba Ltd.)

The applicant proposes to purchase the entire lane. It will be necessary for the applicant to enter into easement agreements with the Pandora Inn and the City to allow for continued access to these properties.

Private Approach Permits

The applicant will be required to obtain private approach permits for the lane approaches at Winona and Bond Streets.

Consolidation of Title

The applicant will be required to consolidate title to the closed lane with the title to the applicant's adjoining lands.

Utility Requirements

Centra Gas maintains a line in the lane. An easement to allow for access to maintain this line will be required. No improvements other than paving or fencing will be allowed in the easement area.

Manitoba Hydro and MTS maintain an overhead line in the lane. The applicant is discussing the relocation of this line with the utilities.

Transfer of Jurisdiction Over Public Rights-of-Way

The lane must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
