RE: Technical Amendment – MBEA Enabling By-law No. 59/2016

On May 18, 2016, Council passed the MBEA Enabling By-law No. 59/2016 which enabled the use of the Municipal By-Law Enforcement Act within the City of Winnipeg.

It has come to our attention that this By-law contains an error. The table in Schedule A to the By-law that relates to the Vehicles for Hire By-law No. 129/2017 erroneously refers to subsections 64(a) and (b) of the Vehicles for Hire By-law. The accurate provision numbering for this table should be 64(1)(a) and (b) , respectively.

Enclosed is an amending by-law to correct the aforementioned error. Legal Services considers this amendment to be technical in nature and accordingly, Legal Services proposes that this amendment to the MBEA Enabling By-law No. 59/2016 be brought to Council's attention by means of communication for consideration and enactment at its June meeting.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Lorraine King via email.

If you have any questions, feel free to contact me.

Thank you.
