HISTORY

The Millennium Library Capital Campaign was established in 2001 by the Winnipeg Library Foundation to help raise funds for the renovation and expansion of the former Centennial Library in Winnipeg. This campaign pre-dated the City's current Sponsor Winnipeg initiative.

In 2004, during the Community Campaign phase of the Winnipeg Library Foundation's fundraising efforts for the library, many individuals and corporations stepped forward to support this project.

Dr. Anne Smigel was one of those individuals who made a significant contribution to the Millennium Library. Unfortunately, at the time, the Winnipeg Library Foundation was unable to determine a suitable naming opportunity in recognition of this donation.

Recently, the Winnipeg Library Foundation met with the family of the late Dr. Anne Smigel and determined that the Games Room at the Millennium Library would make a suitable naming opportunity to recognize the contribution of this individual. This room in the Millennium Library provides a place for the community to meet, socialize and play board games in an attractive, quiet setting at the library.

Dr. Anne Smigel passed away on February 10, 2008. She had a long and successful career in education as a classroom teacher, resource teacher, and school Principal. She was the first female Principal in Winnipeg of Ukrainian heritage in a career that spanned 44 years. Over the years, Dr. Smigel was actively involved in many service organizations, receiving the Alpha Omega Alumnae Woman of the Year Award, the City of Winnipeg Community Service Award, and the Centennial Medal for Teaching Excellence. Dr. Smigel received an Honorary Degree of Doctor of Laws from the University of Manitoba in 2004.

She was a founding member of Altrusa International of Winnipeg and served as the first Canadian Governor of Altrusa International, District 7 from 1980-1982. Throughout her life, Dr. Smigel planned and promoted ideas and issues pertaining to education and health with specific projects at the Blessed Virgin Mary Church, Holy Family Nursing Home, the Millennium Library, the University of Manitoba, the University of Winnipeg, and other literary foundations. In retirement, Dr. Smigel had two Art Exhibitions at Fleet Galleries in Winnipeg.
