Report of the Standing Policy Committee on Protection and Community Services dated May 30, 2002

Request to change the name of organization for a Community Incentive Grant Application - Wolseley School
File PR-2.6(32) (Vol. 9)

9. On December 12, 2001, Council adopted Clause 1 of the Report of the Standing Policy Committee on Protection and Community Services dated November 26, 2001, which approved a Community Incentive Grant for Wolseley School in the amount of $10,000.00, as a charge against the 2002 allocation, to assist with the cost of the Wolseley School Playground Structure - Phase Two. In adopting this Clause, Council waived the following criteria:

A. The organization is to be a non-profit community recreation and sport organization or a non-profit organization offering recreational services, and

B. The applicant has requested eighty percent (80%) of the total project cost and therefore would not be contributing fifty percent (50%) of the capital costs from their own sources.

On May 30, 2002, the Standing Policy Committee on Protection and Community Services considered a communication from the Principal, Wolseley School, and the President, Wolseley School Parent Council, dated May 29, 2002, requesting a change to the name of the organization/applicant from Wolseley School to the Wolseley School Parent Council, inasmuch as the School Board procedures do not allow the Community Incentive Grant to be processed under the name of the school. The administration have advised that should the name of the organization be changed to the Wolseley School Parent Council then the application will meet the criteria as it pertains to a non-profit community recreation and sport organization or a non-profit organization offering recreational services.

The Standing Policy Committee on Protection and Community Services concurred in the request and recommends:

I. That the name of the organization be amended to read Wolseley School Parent Council.

II. That the following eligibility criteria for the Community Incentive Grant Program, be waived in this instance, namely:-

   A. The applicant has requested eighty-six percent (86%) of the total project cost and therefore would not be contributing fifty percent (50%) of the capital costs from its own sources.

III. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.
