- Reaching Home

EHW's 4 core pillars

PERSON-CENTRED SUPPORTS

Emergency Response: Building Closures

Emergency Response: Extreme Weather

Gizhe Waa Tii-Si-Win Service Expo

Outreach Mapping project & Plans for Kíkinanaw Óma

PREVENTION PILLAR WORK

Right to Home Project (Child & Family Services)

Provincial Corrections - Women's Corrections Center Workshop

Acquired Brain Injury Research Café

PREVENTION PILLAR WORK

Duty to Assist

- *Launch Date:* September 2024
- *Objective:* Conduct a comprehensive analysis to map services, programs, and supports for youth at risk of homelessness, identifying gaps and overlaps to enhance resource accessibility.
- *Focus:* Explore legislative implications of a duty to respond to youth homelessness and support advocacy for prevention and resolution of youth homelessness in Winnipeg.

HOUSING SUPPLY – BY THE NUMBERS

Below is a table tracking our progress towards the goal of 1,345 new housing units by 2025. Both market and non-market housing types are included.

Type of Housing	Target	# of units created 2019- June 2023	# Of New Units in Development as of June 30, 2024	# Of Additional New Units Needed by 2025
Transitional Housing	225	343	88	-206
Rooming House	Maintain	1363	-107	N/A
Single-Room Occupancy	Maintain	763	Data to be captured Fall 2024	N/A
Permanent Supportive Housing	200	222	0	-22
Social (RGI)	470	72	68	330
Private Below-Market rent	450	369	108	-27

HOUSING SUPPLY – BY THE NUMBERS

CMHC Rental Market Report 2024:

Vacancy Rate – 1.8%

Average Two-Bedroom Rent - $1,427/month (UP by 4.4% from 2023)

Amount available through Rent Assist: $638*

HOUSING SUPPLY – CURRENT PROJECT LIST

Cost Avoidance Model

Housing Accelerator Fund

Homelessness Housing Strategy

Winnipeg Rental Housing Supply - 2022 Update

MEASUREMENT AND EVALUATION

Point in Time Count (Street Census)

CANADA-MANITOBA HOUSING BENEFIT

CMHB by the numbers

- End Homelessness Winnipeg administers the Canada-Manitoba Housing Benefit (CMHB) homelessness stream in partnership with Manitoba Housing
- Eligible recipients are renters in core housing need: experiencing, or at risk of, homelessness.
- This stream is designed to support independence and provide safe and stable housing.
- Manitoba Housing initially anticipated that the stream would receive approximately 200 applicants; however, as of September 3rd, the actual number has surpassed 3,800.

HIFIS & NAATAMOOSKAKOWIN

Current work

HIFIS

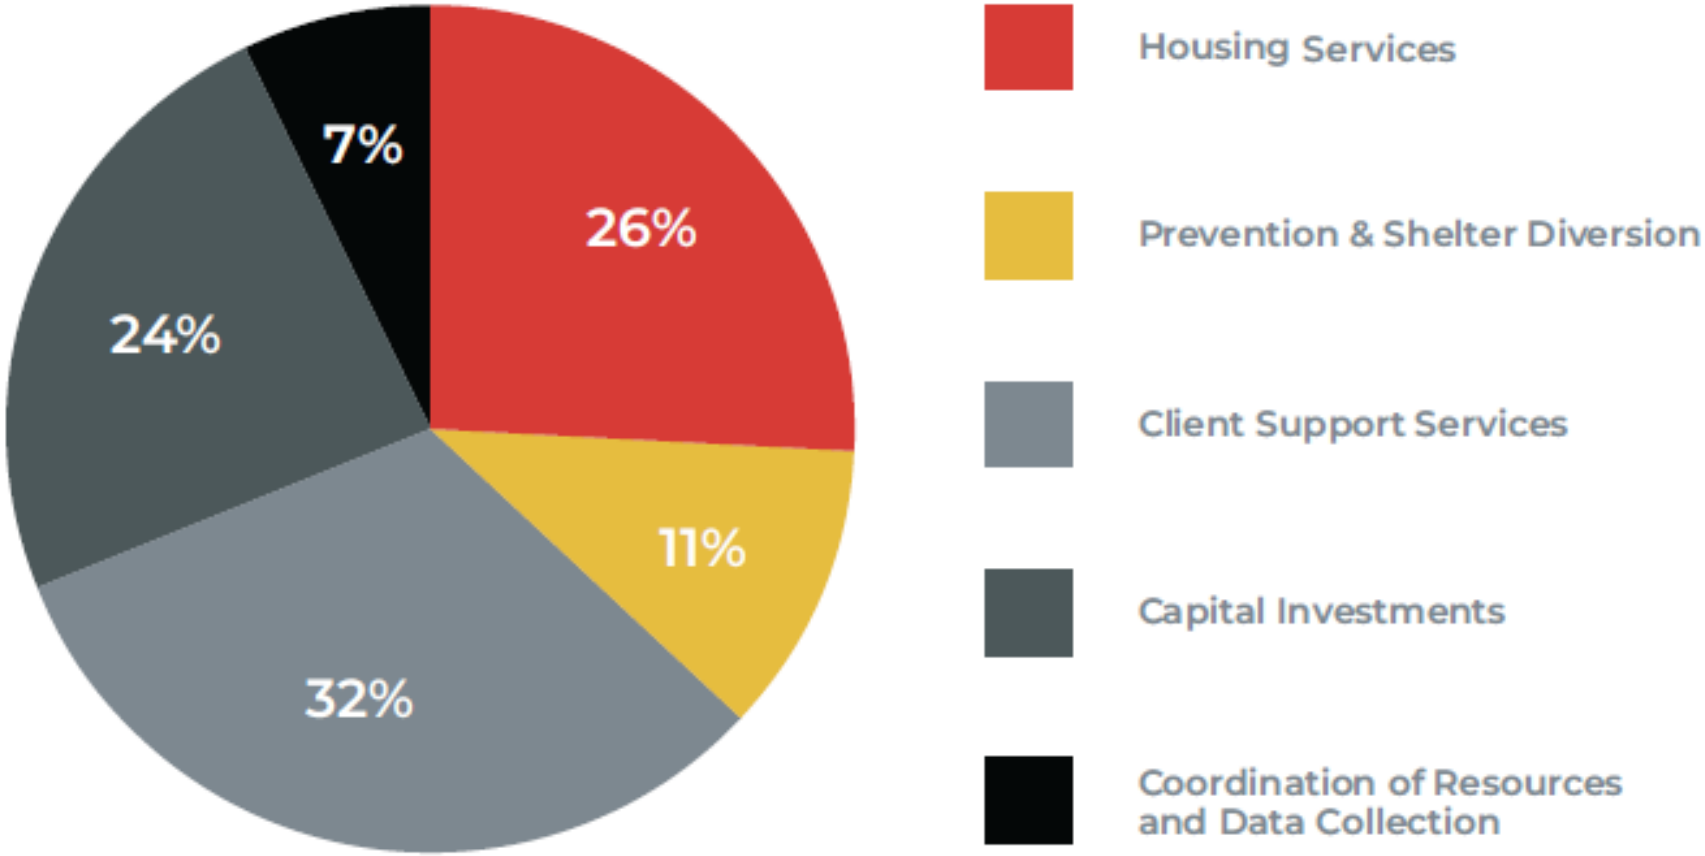
- The integration of Brandon, Thompson, and Winnipeg into the same cluster will begin in 2024-25.

Naatamooskakowin

- It is a Cree word meaning “a place to come to for help, shelter, or resources.”

REACHING HOME

REACHING HOME FUNDED ACTIVITIES - 5 YEAR INVESTMENT 2019-2024



IT TAKES A COMMUNITY TO END HOMELESSNESS

That means everyone needs to play their part

- Currently, the City of Winnipeg funds End Homelessness Winnipeg at $150,000.
- Without adequate investment, it's challenging to implement lasting solutions.
- **Let's work towards that level of support.**

- This is just a brief 10 minute snapshot of the complex work we do
    - We invite all Councilors to reach out to us if a specific aspect of our work interests you

Miigwetch, Thank you, Maarsii!

- For your ongoing support
- For believing that together we can end chronic houselessness in our city
