## RECOMMENDATIONS

That the time limit to provide for enactment of Rezoning By-law No. 87/2011 coming into force and effect be extended to July 31, 2013.

## REASON FOR THE REPORT

Council approval is required for an extension of time.

## IMPLICATIONS OF THE RECOMMENDATIONS

The applicant will be granted a one (1) year extension of time from it's date of expiry to be able to cause the rezoning bylaw for DASZ 27/2010 to come into effect.

## HISTORY

On February 23, 2011 Council adopted Item No. 4 of the report of the Standing Policy Committee on Property and Development dated February 8, 2011 which clause recommended approval of the subject rezoning to an "R1-M" Residential Single-Family District, "RMF-S" Residential Multi-Family (small) District, "RMF-M" Residential Multi-Family (medium) District and "PR2" Parks and Recreation 2 District under Zoning By-law 200/2006 as shown on Appendix "A" attached.

The Rezoning By-law No. 87/2011 for DASZ 27/2010 was passed by Council on July 20, 2011. The enactment section of the By-law required that the Development Agreement caveat be registered in the Winnipeg Land Titles Office by July 20, 2012 failing which the By-law shall expire unless that date is extended by a resolution of the City Council and that registration is completed before any such extended date. This By-law has not been enacted and the time limit as extended has expired.

The final documents have been sent to the applicant for registration, however, the July 20, 2012 deadline has passed. An extension of time is required in order to complete the necessary registration requirements.

The Winnipeg Public Service supports this extension of time and is of the opinion that circumstances leading to the original approval remain unchanged.

## FINANCIAL IMPACT

There is no financial impact associated with this recommendation.
