RECOMMENDATIONS

That the Executive Policy Committee approve the single source negotiation and award of legal services with Taylor McCaffrey LLP, Barristers and Solicitors, for legal services related to negotiations and arbitrations with various City of Winnipeg unions in the estimated amount of $220,000.00 plus GST and MRST.

REASON FOR THE REPORT

As the value of the single source consulting services exceeds $35,000 relating to services other than for capital projects, Executive Policy Committee must approve the single source negotiation in accordance with the authority delegated in Administrative Standard FM-002.

Pursuant to the City Organization By-law and the Materials Management Policy, Executive Policy Committee has delegated authority to approve awards of contract related to labour contract negotiations.

IMPLICATIONS OF THE RECOMMENDATIONS

This expenditure is within the approved Corporate Support Services Department current budgets.

HISTORY

Taylor McCaffrey LLP has provided the City of Winnipeg with legal advice and services as related to negotiations and arbitrations with various City of Winnipeg unions for approximately 20 years.

These services have typically been on an as required basis. With the change to Administrative Standard No. FM-002 in 2011, the Labour Relations and Total Compensation Division within the Corporate Support Services Department now seeks the Executive Policy Committee's approval to single source labour relations legal services related to union negotiations and arbitrations with Taylor McCaffrey LLP.

A public bid solicitation is not required pursuant to the Agreement on Internal Trade because the proposed services would be provided by licensed professionals that are exempt from the application of the Agreement on Internal Trade.

The Corporate Support Services Department has reviewed the work with the recommended Consultant and is satisfied that they have the necessary resources and experience to perform the work of the contract.
