NOTICE OF EXTENSION REQUEST

Title: The Winnipeg Parking Strategy

AUTHORIZATION

RECOMMENDATION

The Public Service requests that an extension of up to 120 days be granted to report back on the following:

The Winnipeg Parking Strategy

REASON FOR THE EXTENSION

An extension is required to allow for the Transportation Master Plan 2050 to be formally approved by Council so that the Winnipeg Parking Strategy aligns to the broader master plan, as well as allow for final consultations on the Winnipeg Parking Strategy to be undertaken with Business Improvement Zones (BIZ) operating in areas with paid parking.

Additional time is also required to complete final consultations with BIZ groups operating in paid parking areas affected by the upcoming Winnipeg Parking Strategy. These discussions are important to ensure the strategy reflects the unique needs of each area and supports both local business activity and broader community priorities where paid parking is currently in effect.
