Re: Avion Services Corp. proposal for airport shuttle service

Dear Ms. Greschuk,

The Taxicab Board met on November 22, 2006 and did review the document "Minutes –Standing Policy Committee…Minute No. 6" regarding the proposed airport-downtown shuttle service that is being considered by the City of Winnipeg.

The Taxicab Board acknowledges that the City of Winnipeg Transit is considering entering into an agreement with Avion Services Corp. that authorizes Avion Services Corp to operate a shuttle services according to the terms of the agreement.

The Taxicab Board is satisfied that this agreement and service would not fall within the jurisdiction of the Taxicab Act and Regulations and therefore has no objection with the proposed service.

Should you require any further information on this matter please contact me at 945-6713.

Yours truly,

Jerry Kozubal
Secretary of the Taxicab Board
