BACKGROUND

Section 34(f) of *The City of Winnipeg Charter* requires Council to designate, by by-law, a person to assist registered candidates to comply with by-law and statutory provisions relating to campaign expenses and contributions, to examine audited statements filed by registered candidates, and to report to Council on certain matters including any apparent failure of a registered candidate to comply with provisions relating to campaign expenses and contributions. The City of Winnipeg's Campaign Expenses and Contributions By-law No. 10/2010, establishes the position and duties of a Campaign Expenses and Contributions Officer (*Appendix C*).

On January 25, 2006, Council adopted Item No. 5 of the Report of the Executive Policy Committee dated January 18, 2006, recommending the appointment of Mr. W. (Bill) Treytiak, C.G.A., as the Campaign Expenses and Contributions Officer and passed By-law No. 22/2006 in this regard.

In accordance with By-law No.10/2010, the campaign period for the Office of Mayor commenced on May 1, 2010, while the campaign period for the Office of Councillor commenced on June 30, 2010. The campaign period for the Offices of both Mayor and Councillor ended on March 31, 2011.

In accordance with Section 35 of *The City of Winnipeg Charter*, each candidate was required to file an audited statement not later than May 25, 2011, (for all registered candidates who did not withdraw), or if a candidate was not nominated, or nominated but withdrew, not later than December 27, 2010.

The Campaign Expenses and Contributions Officer has examined and submitted to the Senior Election Official all audited financial statements which are available for inspection by the public. Copies can be purchased from the City Clerk's Department in accordance with the Fees and Charges Policy adopted by Council.

Recommended Amendments to The Campaign Expenses and Contributions By-Law and The City of Winnipeg Charter

The following recommendations are submitted for Council's consideration. Some of these recommendations have arisen as a result of comments received during the campaign period as well as personal observations. These recommendations, if approved, should be implemented for the next civic election.

ISSUES AND RECOMMENDATIONS

1) Political Party Influence and Interference

Prior to the registration dates, an issue arose where a potential Candidate prepared advertising literature to promote his / her nomination for endorsement by a political party in the upcoming Civic Election. The potential candidate was in effect expending funds, however small, prior to registration as a Candidate for Councillor. This is a violation of the legislation and the person was advised to cease this activity.

2) Deposit

Serious consideration should be given to the requirement of a refundable cash deposit upon registration by an election candidate. There were a number of candidates who registered in the 2010 election and who did not file an audited statement by the deadline date. The following table shows the number of non-filers in recent elections.

ELECTION	DATE	REGISTERED	NON-FILERS
Civic Election	2010	62	7
By-Election	2009	3	0
Civic Election	2006	56	0
By-Election	2004	26	7
Civic Election	2002	55	11
By-Election	2000	9	1
Civic Election	1998	63	23

Although the number has improved over the years the problem of non-filers still persists. The following recommendation would hopefully reduce the "frivolous" candidates, who do not take the election process seriously enough to fulfill their obligations.

It is recommended that a refundable deposit be required of any person who registers as a Mayoralty or Councillor candidate in an election. The amount of the deposit should be set at $1,000.00 for Mayoralty candidates and $500.00 for Councillor candidates. These amounts indicate the seriousness of the process involved. The deposit would be refunded only upon filing of the audited statement by the required deadlines.

3) **Fund Raisers**

Sections 12(1) to 12(5) of the By-law regarding "Contributions of Goods and Services" is not clear and should be expanded.

There were numerous questions regarding the donation of items for a "Silent Auction". In keeping with the changes to the By-Law, the answer given was not to accept 'items' from organizations as well as monetary contributions. Only items purchased by individuals could be donated.

It is recommended that this section of the by-law be expanded to identify the items allowed and ensure clarity.

4) **Use of Electronic Deposits And Payments**

Section 7(f) of the By-law and section 37(f) of the Charter state as follows:

Duties of official agent

(f) all payments relating to or arising out of the campaign are made only by cheque drawn on such an account;"

In addition to the use of cheques, the Charter and the By-Law should be updated to reflect the use of current technology for items such as electronic deposits and payments by allowing "auto debits" to and from bank accounts. Auto Debits and 'Paypal' contributions were allowed during this campaign.

5) **Audit Reports**

In December 2010 the Institute of Chartered Accountants made a change to the requirements of issuing an audit report. Chartered Accounting firms had to comply with a new format of report which was different from the report in Form 4. There were a few such reports filed for the candidates. The new form fulfilled the requirements of the audit report in the By-Law.

It is recommended that the audit report in Form 4 be changed to reflect the new reporting requirements.

6) **Campaign Deficits and Audit Fees**

With the change to the By-Law and the Charter, requiring a maximum of $750.00 contribution by a candidate and their spouse, there were a few situations whereby funds were not available to cover the cost of the audit as well as other expenses and the resulting expense placed the Candidate in an overage position as to the amount he/she could contribute to cover the total expenses.

It is recommended that:

a) The Audit Fee be excluded from the Total Period Expenses.
b) The Audit fee should be paid by the Candidate regardless of his/her maximum contribution of $750.00 or $1500.00. The maximum rebate receipt of the candidate is still $750.00 for Councillor and $1500.00 for Mayor.
c) Each Candidate be allowed a total personal contribution to cover such expenses to a maximum of $5,000.00 for Councillor & $10,000.00 for Mayor.

This recommendation is to ensure that a proper audit is done and is not restricted due to unavailable funds. The campaigns of the following candidates resulted in a deficit requiring the candidate to exceed the $750.00 maximum contribution as described in the above situation.

CANDIDATE	TOTAL DEFICIT	AUDIT	NET EXPENSES
Brian Olynik	$ 2,937.00	$ 1,770.00	$ 1,116.00
Nelson Sanderson	1,306.57	400.00	906.57
W.L. Pasaluko Plas	974.29	1,000.00	(25.71)
Casey Jones	1,941.97	1,000.00	941.97
John Cardoso	624.08	616.00	8.08
Dashi Zargani	300.00	300.00	0.00

As shown by the above table the Maximum $750.00 contribution by a candidate is restrictive and should be changed to a higher maximum for candidates only.

7) Violations Of The By-Law

1) **ALL** registered candidates **MUST** file an Audited Financial Statement with the Campaign Expenses and Contributions Officer.
The filing of an audited statement is critical to the election process. The statement shows the funds collected, how they are spent and allows for rebates of contributions to be processed.

The following list shows those candidates that **DID NOT FILE** an Audited Financial Statement by the required date.

CANDIDATE	REQUIRED FILING DATE
Ray Bach	December 27, 2010
Nancy G. Thomas	December 27, 2010
Ed Ackerman	December 27, 2010
Avery Petrowski	December 27, 2010
Ron Dyck	December 27, 2010
Rav Gill	May 25, 2011
Livio Ciaralli	May 25, 2011

It is recommended that prosecution proceed for this violation.

2) Contribution limits of $1500.00 for Mayor and $750.00 for Councillor applies to the Candidate and their spouse. It is important to note that the candidates listed below did file an audited statement and part of the excess contributions by the candidates is explained in item 6 of this section.
The following candidates exceeded their $750 limit on contributions:
   - Brian Olynik
   - Nelson Sanderson
   - Wendy L. Pasaluko Plas
   - Casey Jones
   - Dashi Zargani
   - John Cardoso
   - Gordon Warren

It is **not** recommended that prosecution proceed for this violation.

3) Campaign Expense Limitation
There is a limit on the amount a registered candidate may spend on campaign expenses. Only one candidate exceeded his limitation. Grant Nordman, Councillor candidate in the St. Charles Ward, exceeded the limit by $ 820.00, or about 3% of the allowable limit of $24,505.51. This amount is not material.

It is **not** recommended that prosecution proceed for this violation.

I / we have examined the statements of assets and liabilities and income and expenses of

_____ candidate, for the campaign period ending
Name of Candidate

_____ relating to the election held on _____
Date Campaign Period Ended Date of Election

These statements, which have not been , and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the Campaign Expenses and Contributions Officer for the City of Winnipeg for complying with By-law No. 10/2010 of*The City of Winnipeg Charter*. The statements are not intended to be and should not be used by anyone other than the specified users or for any other purposes.

These financial statements are the responsibility of the registered candidate and official agent. My/our responsibility is to express an opinion on these financial statements based on my/our audit.

My/our examination was made in accordance with generally accepted auditing standards. Those standards require that I/we plan and perform an audit to obtain responsible assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes such test and other procedures as I/we consider necessary in the circumstances except as explained in the following paragraph.

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, receipts and disbursements for the campaign period. Accordingly, my/our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of the candidate, in accordance with established accounting procedures and I/we was/were not able to determine whether any adjustments might be necessary to receipts and disbursements.

In my/our opinion, except for the effect of adjustments, if any, which I/we might have determined to be necessary had I/we been able to satisfy myself/ourselves as to the completeness of the records as described in the preceding paragraph, these statements present fairly the information contained in the accounting records on which the statements are based in accordance with prescribed accounting treatment.
