Item No. 54 **Civic Environmental Committee - Discontinuation of Recycling Service Reinstatement Fee**
File E-7

EXECUTIVE POLICY COMMITTEE DECISION:

The Executive Policy Committee received as information and filed the November 8, 2004 recommendation of the Civic Environmental Committee.

DECISION MAKING HISTORY:

Moved by Councillor Eadie,

That the November 8, 2004 recommendation of the Civic Environmental Committee be received as information and filed.

Carried

CIVIC ENVIRONMENTAL COMMITTEE RECOMMENDATION:

On November 8, 2004, the Civic Environmental Committee re-considered its motion of October 4, 2004, and recommended that the Executive Policy Committee request the Standing Policy Committee on Public Works to review the policy and discontinue the recycling service reinstatement fee.

On October 4, 2004, the Civic Environmental Committee was advised that when The City of Winnipeg suspends small commercial garbage collection for outstanding payment, it also suspends the recycling service and that a $75.00 fee is charged for the reinstatement of the recycling service. The Committee recommended that the Chairperson bring the matter to the attention of the Standing Policy Committee on Public Works with the intent that the policy be reviewed and the recycling service reinstatement fee discontinued.
