Comments in writing: Hello,
I would like to address the issue of pool closures. I support councillor Matt Allard in his efforts to prevent pool closures in the St. Boniface ward. I also support efforts to prevent closures in all of Winnipeg. I understand the budget is strained. However it is important to allocate our limited funds to community health and activities that are only available to some citizens at our community centers and local pools. Perhaps closing one of the proposed pools may be needed and replaced with a splash pad, but not both.
