HISTORY

On January 29, 2013, Council adopted the 2013 Capital Budget which included an amount of $30,000,000.00 for the Polo Park Infrastructure Improvement Project.

On June 20, 2013, the City of Winnipeg retained Morrison Hershfield Ltd. to undertake Project Planning and Preliminary Design for the Polo Park Infrastructure Improvements – St. Matthews Avenue, St. James Street, and Ellice Avenue based on the requirements of RFP 236-2013

On December 17, 2013, the 2014 Capital Budget was adopted and included an additional $10,000,000 in provincial funding under the Manitoba Winnipeg Infrastructure Agreement (MWIA), as announced by the Province of Manitoba on June 12, 2013 to bring the total project funding to $40,000,000.

On February 19, 2014, the City of Winnipeg retained Morrison Hershfield Ltd. to undertake the Detailed Design, Contract Administration and Post Construction Services for Polo Park Infrastructure Improvements – St. Matthews Avenue, St. James Street, Ellice Avenue, based on the requirements of RFP 236-2013.

Morrison Hershfield, in consultation with the City of Winnipeg and Manitoba Hydro, has identified the requirements for relocation, modification and addition of new street lighting and overhead distribution lines, as well as relocation and protection of existing medium and high pressure gas lines and gas regulator station in the areas of new and modified road pavements and sidewalks within the project limits.

Manitoba Hydro has the exclusive statutory right to supply the services required for these works.

The total cost related to the above is estimated at an amount not to exceed $3,605,000.00 plus applicable GST. The amount is considered reasonable for the required works.

The Department Controller has confirmed that funds are approved and available for this project.
