EXECUTIVE SUMMARY

Winnipeg Habitat for Humanity Inc. ("Habitat") submitted an Offer to Purchase the City's land shown as "Subject City Property" on Misc. Plan 16056 (attached hereto as Schedule A), in the amount of $20,000.00. Habitat plans to develop affordable housing for one family.

The Public Service recommends a sale to Habitat for $20,000.00 to ensure project affordability and in support of the affordable housing initiative.

This sale aligns with the City's policy to create more affordable housing.

The Ward Councillor has been notified.

RECOMMENDATIONS

1. That the sale of City-Owned property located at 530 Seven Oaks Avenue, identified as "Subject City Property" shown on Misc. Plan 16056 (attached hereto as Schedule A) to Winnipeg Habitat for Humanity Inc. for a purchase price of $20,000.00, be approved.

2. That the City enter into, execute and deliver an Offer to Purchase Agreement with Winnipeg Habitat for Humanity Inc. and any such other agreement determined necessary by the City Solicitor/Director of Legal Services to implement the intent of the foregoing (the "Ancillary Agreements").

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Pursuant to the "Real Estate – Declaration as Surplus and Sale of Property" adopted by Council on September 29, 2021, and amended on July 22, 2024, approval by the Standing Policy Committee on Property and Development, is required for all Sales, Land Exchanges and Sale

settlement claims in excess of $700,000.00 or where the sale price is less than 80% of the Appraised Value.

IMPLICATIONS OF THE RECOMMENDATIONS

The City's standard terms and conditions of sale will include provisions to protect the City's interests in the event that environmental contamination is discovered.

The sale supports the City's initiative for the development of affordable housing and reduces the City's ongoing carrying costs for the Subject City Property.

HISTORY/DISCUSSION

The Subject City Property identified on Misc. Plan 16056 (attached as Schedule A) was acquired via Tax Sale (126/247) on October 11, 2024, and is under the jurisdiction of Planning, Property and Development. The current inventory cost is $61,045.15. It is currently developed with a single-family residence in need of substantial repairs.

The Subject City Property was circulated to all City Departments, and no civic need was identified. As a result, the Manager of Real Estate and Land Development declared the Subject City Property as surplus to the City's needs on March 5, 2025.

The Public Service procured an appraisal which indicated a market value of $304,000 with the highest and best use as Single Family Dwelling.

The property was marketed for 30 days ending on April 9, 2026, exclusively to Non-profit / Affordable Housing providers. One offer was received from Winnipeg Habitat for Humanity Inc. ("Habitat") for a price of $20,000.00.

If Habitat acquires the Subject City Property, it will enable them to provide housing for one family. Habitat constructs and renovates affordable homes for low-income families with a unique mortgage model that keeps housing costs at 27 percent of a household's net income. With the purchase price of $20,000.00, Habitat would renovate the Subject City Property to provide affordable housing for one family.

The Public Service recommends the sale of the subject property at a price of $20,000.00 to Habitat. The sale is considered to represent best value to the City as it supports section 3.4 of the Strategic Priorities Action Plan. If the recommendations in this report are approved, the Public Service will enter into an Offer to Purchase with Habitat with the terms and conditions outlined in the attached Schedule B.

The sale is expected to close in the third quarter of 2026.

Additional Comments: Direct costs represent cost of land sold, primarily tax arrears, while incremental revenue represents the proposed sale price. The $41,045 loss on disposition will result in a decrease to unallocated equity in the Land Operating Reserve Fund. With an appraised value of $304,000, the proposed sale includes an opportunity cost of $284,000, assuming a market (outside of the non-profit/affordable housing sector) exists. ***No budget adjustment is required.***
