ADMINISTRATIVE REPORT

RE: Amendments to the City of Winnipeg License By-law 6551/95 Schedule A

FOR SUBMISSION TO:	**Standing Policy Committee on Property & Development**
ORIGINAL REPORT SIGNED BY:	**Kelly Goldstrand, Acting Director Community Services Department**
REPORT DATE:	**April 4, 2005**

RECOMMENDATION(S):

That the City of Winnipeg License By-law 6551/95 Schedule A be amended as set out in the attached draft by-law to continue all License fees at their current rates through to May 31, 2006 or December 31, 2006 as applicable. (Attachment 1)

REPORT SUMMARY:

Key Issues:

- The above amendment carries forward all License By-law 6551/95 fees at their current rates through to May 31, 2006 or December 31, 2006 as applicable. (Attachment 2)

- Carry over of the license fees at their current amounts aligns with the General License Revenue line amounts contained within the 2005 – 2006 Operating Budget that was recently passed by Council.

- Given the current regulatory review being carried out by the Red Tape Commission, this report does not propose any further changes to the License By-law at this time, in order for the City of Winnipeg to first have an opportunity to consider the recommendations of the Commission.

Implications of the Recommendation(s):

General implications:

None

For the organization overall &/or for other departments

X **For the community and/or organizations external to the City**

Involves a multi-year contract

Comment(s):

This report recommends the carry over of the current License Fees Schedule previously approved by Council until May 31, 2006 or December 31, 2006 as applicable.

Given the current regulatory review being carried out by the Red Tape Commission, this report does not propose any further changes to the License By-law at this time, in order for the City of Winnipeg to first have an opportunity to consider the recommendations of the Commission.

Financial implications:

Current and/or capital budget adjustment required

Comment(s):

Approval of the carry over of the license fees at their current amounts aligns with the General License Revenue line amounts contained within the 2005 – 2006 Operating Budget recently passed by Council.

REASON FOR THE REPORT:

Council approval is required for the setting of fees.

HISTORY:

The existing License By-law 6551/95 Schedule A set the license fees from 1999 – 2004.

License Fees are based on a cost-recovery model that recovers the City's costs for inspection, enforcement and administration.

DISCUSSION:

In the 2005 – 2006 Operating Budget recently approved by Council, General License Revenues were approved in the amounts of $2,164,000 for 2005; and $2,164,000 for 2006. The carrying forward of the current License By-law 6551/95 fees until May 31, 2006 or December 31, 2006 as applicable, matches these overall General License Fee Revenues.

Historically, License Fees have been set for a five year period. In light of the fact that a Red Tape Commission is currently reviewing the City's regulatory processes, this report recommends that fees only be set at this time until May 31, 2006 and December 31, 2006 as applicable. This will allow for a reasonable period of time during which the recommendations of the Red Tape Commission can be given due consideration prior to proposing for Council consideration any further changes to the License By-law 6551/95.

The by-law also corrects a numbering error which was included in the consequential amendments to the License by-law contained in the new Body Modification By-law.
