REPORTS

Minute No. 16 Relocation of Winnipeg Intermodal Terminal
File SC-4 (Vol. 3)

EXECUTIVE POLICY COMMITTEE DECISION:

The Executive Policy Committee passed the following motion, namely:

1. That the request for a full and independent Traffic Study be received as information.

2. That the concerns raised by Councillor Wyatt be referred to the Administration for review, said review to include a traffic count in the area prior to relocation of the Intermodal Terminal and the potential impact on traffic following relocation.

3. That the results of the review be provided to Councillor Wyatt and the Chairperson of the Standing Policy Committee on Public Works.

DECISION MAKING HISTORY:

Moved by Councillor Clement,

1. That the request for a full and independent Traffic Study be received as information.

2. That the concerns raised by Councillor Wyatt be referred to the Administration for review, said review to include a traffic count in the area prior to relocation of the Intermodal Terminal and the potential impact on traffic following relocation.

3. That the results of the review be provided to Councillor Wyatt and the Chairperson of the Standing Policy Committee on Public Works.
