Report – Standing Policy Committee on Infrastructure Renewal and Public Works – January 16, 2015

Item No. 4 Canada Post Mail Box Installations

STANDING COMMITTEE RECOMMENDATION:

On January 21, 2015, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Infrastructure Renewal and Public Works and submitted the following to Council:

1. That the Winnipeg Public Service establish a definition for Canada Post's community mail box installations as property that is adjacent to the public boulevard and define the property owners responsibilities regarding the adjacent public property in the relevant by-law and policies and;

2. That the Winnipeg Public Service create a protocol and amend any policy or by-law to install no parking / loading zones on roadways adjacent to community mail boxes, to be paid for by Canada Post to make their property and service accessible to the users and;

3. That the Winnipeg Public Service clarify the responsibility of Canada Post to clear any snow windrows around community mail box installations, in the same manner home owners must do with any snow windrows that block their walkway to the street.

4. That the Winnipeg Public Service report back to the Standing Committee in 120 days.

5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
